

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Community Facilities District, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Series 2012 Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and is exempt from State of California personal income taxes. In the further opinion of Bond Counsel, interest on the Series 2012 Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Bond Counsel observes that such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the accrual or receipt of interest on, the Series 2012 Bonds. See “LEGAL MATTERS — Tax Exemption.”

Due: September 1, as shown on the inside cover page

The Community Facilities District No. 04-2 (Lake Hills Crest) of the County of Riverside Special Tax Refunding Bonds, Series 2012 (the “Series 2012 Bonds”) are being issued and delivered by Community Facilities District No. 04-2 (Lake Hills Crest) of the County of Riverside (the “Community Facilities District”) to refund the Community Facilities District’s outstanding Special Tax Bonds, Series 2005. See “THE REFUNDING PLAN” herein. The Community Facilities District has been formed by and is located in the County of Riverside, California (the “County”).

The Series 2012 Bonds are authorized to be issued pursuant to the Mello-Roos Community Facilities Act of 1982, as amended (Sections 53311 *et seq.* of the Government Code of the State of California), and pursuant to an Indenture, dated as of August 1, 2012 by and between the Community Facilities District and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”) (the “Indenture”).

The Series 2012 Bonds are special obligations of the Community Facilities District and are payable solely from revenues derived from certain annual Special Taxes (as defined herein) to be levied on and collected from the owners of parcels within the Community Facilities District subject to the Special Tax and from certain other funds pledged under the Indenture, all as further described herein. The Special Taxes are to be levied according to the rate and method of apportionment approved by the Board of Supervisors of the County and the qualified electors within the Community Facilities District. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2012 BONDS — Special Taxes.” The Board of Supervisors of the County is the legislative body of the Community Facilities District.

The Series 2012 Bonds are issuable in fully registered form and when issued will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”). Individual purchases may be made in principal amounts of \$5,000 and integral multiples thereof in book-entry form only. Purchasers of Series 2012 Bonds will not receive certificates representing their beneficial ownership of the Series 2012 Bonds but will receive credit balances on the books of their respective nominees. Interest on the Series 2012 Bonds will be payable on March 1, 2013 and semiannually thereafter on each March 1 and September 1. Principal of and interest on the Series 2012 Bonds will be paid by the Trustee to DTC for subsequent disbursement to DTC Participants who are to remit such payments to the beneficial owners of the Series 2012 Bonds. See “THE SERIES 2012 BONDS — General Provisions” and APPENDIX F — “BOOK-ENTRY ONLY SYSTEM” herein.

Neither the faith and credit nor the taxing power of the County of Riverside, the State of California or any political subdivision thereof is pledged to the payment of the Series 2012 Bonds. Except for the Net Special Tax Revenues (as defined herein), no other taxes are pledged to the payment of the Series 2012 Bonds. The Series 2012 Bonds are special tax obligations of the Community Facilities District payable solely from Net Special Tax Revenues (as defined herein) and certain other amounts held under the Indenture as more fully described herein.

The Series 2012 Bonds are subject to optional redemption, mandatory redemption from Special Tax prepayments and mandatory sinking fund redemption prior to maturity as set forth herein. See “THE SERIES 2012 BONDS — Redemption” herein.

Certain events could affect the ability of the Community Facilities District to pay the principal of and interest on the Series 2012 Bonds when due. The purchase of the Series 2012 Bonds involves significant investment risks, and the Series 2012 Bonds may not be suitable investments for many investors. See the section of this Official Statement entitled “SPECIAL RISK FACTORS” for a discussion of certain risk factors that should be considered, in addition to the other matters set forth herein, in evaluating the investment quality of the Series 2012 Bonds.

This cover page contains certain information for general reference only. It is not intended to be a summary of the security or terms of this issue. Investors are advised to read the entire Official Statement to obtain information essential to the making of an informed investment decision.

INTRODUCTION

General

This introduction is not a summary of this Official Statement. It is only a brief description of and guide to, and is qualified by, more complete and detailed information contained in the entire Official Statement, including the appendices, and the documents summarized or described herein. A full review should be made of the entire Official Statement. The sale and delivery of Series 2012 Bonds (defined below) to potential investors is made only by means of the entire Official Statement. All capitalized terms used in this Official Statement and not defined shall have the meaning set forth in APPENDIX C — “SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Definitions” herein.

The purpose of this Official Statement, which includes the cover page, the inside cover page, the table of contents and the attached appendices (collectively, the “Official Statement”), is to provide certain information concerning the issuance by Community Facilities District No. 04-2 (Lake Hills Crest) of the County of Riverside (the “Community Facilities District”) of the \$19,665,000 Community Facilities District No. 04-2 (Lake Hills Crest) of the County of Riverside Special Tax Refunding Bonds, Series 2012 (the “Series 2012 Bonds”). The proceeds of the Series 2012 Bonds, together with certain existing funds of the Community Facilities District, will be used to defease all of the Community Facilities District’s outstanding Special Tax Bonds, Series 2005 (the “2005 Bonds”), originally issued in the aggregate principal amount of \$25,820,000 and now outstanding in the principal amount of \$22,915,000 (the “Refunded Bonds”). A portion of the Series 2012 Bonds will be used to fund a deposit to the Reserve Fund and to pay costs of issuance of the Series 2012 Bonds. See “THE REFUNDING PLAN” and “SOURCES AND USES OF FUNDS” herein.

The Series 2012 Bonds are authorized to be issued pursuant to the Mello-Roos Community Facilities Act of 1982, as amended (Sections 53311 *et seq.* of the Government Code of the State of California) (the “Act”), and an Indenture dated as of August 1, 2012 (the “Indenture”) by and between the Community Facilities District and The Bank of New York Mellon Trust Company, N.A. (the “Trustee”). Upon their issuance, the Series 2012 Bonds will be the only outstanding bonds of the Community Facilities District and will be secured under the Indenture by a pledge of and lien upon Net Special Taxes Revenues (as defined herein) and any other amounts held in the Special Tax Fund, the Bond Fund and the Reserve Fund as described in the Indenture. The Community Facilities District will covenant in the Indenture not to issue any other bonds or indebtedness secured by the Special Taxes, except to refund the Series 2012 Bonds, pay the costs of issuance relating to such other bonds and provide funds to make a deposit to the Reserve Fund as required by the Indenture. See “THE SERIES 2012 BONDS—Additional Bonds For Refunding Purposes Only” herein.

The Community Facilities District

Formation Proceedings. The Community Facilities District was formed by the County of Riverside, California (the “County”) pursuant to the Act.

The Act was enacted by the California legislature to provide an alternative method of financing certain public capital facilities and services, especially in developing areas of the State. Any local agency (as defined in the Act) may establish a district to provide for and finance the cost of eligible public facilities and services. Generally, the legislative body of the local agency which forms a district acts on behalf of such district as its legislative body. Subject to approval by two-thirds of the votes cast at an election of the property owners

within such district and compliance with the other provisions of the Act, a legislative body of a local agency may issue bonds for a district and may levy and collect a special tax within such district to repay such indebtedness.

Pursuant to the Act, the Board of Supervisors of the County adopted the necessary resolutions stating its intent to establish the Community Facilities District, to authorize the levy of Special Taxes on taxable property within the boundaries of the Community Facilities District, and to have the Community Facilities District incur bonded indebtedness. Following public hearings conducted pursuant to the provisions of the Act, the Board of Supervisors of the County adopted resolutions establishing the Community Facilities District and calling special elections to submit the levy of the Special Taxes and the incurring of bonded indebtedness to the qualified voters of the Community Facilities District. On January 11, 2005, at an election held pursuant to the Act, the landowners who comprised the qualified voters of the Community Facilities District, authorized the Community Facilities District to incur bonded indebtedness in an aggregate principal amount not to exceed \$32,500,000 and approved the rate and method of apportionment of the Special Taxes for the Community Facilities District (the "Rate and Method") to pay the principal of and interest on the bonds of the Community Facilities District. The Rate and Method is set forth in APPENDIX A hereto. The Board of Supervisors of the County acts as the legislative body of the Community Facilities District.

Development Status. The Community Facilities District is located in the northwestern portion of the County, in an unincorporated area approximately one mile south of the 91 Freeway and approximately three miles east of the I-15 Freeway. The property is generally surrounded by City of Corona to the west, an unincorporated community of Home Gardens to the northwest, the City of Riverside to the north, unincorporated Riverside County area to the south and east, and Lake Mathews just over a mile to the southeast.

The Community Facilities District is situated along Lakepointe Drive and Skyridge Drive, and extends for nearly two miles between Indiana Avenue (nearby to the northwest) and La Sierra Avenue (nearby to the southeast). All of the taxable property in the Community Facilities District is being developed for residential use as single-family detached homes. As of June 30, 2012, there were 441 completed single family detached homes which had been conveyed to individual homeowners, 30 additional parcels owned by Richmond American Homes of Maryland, Inc. ("Richmond American"), the developer within the Community Facilities District, for which building permits had been obtained as of April 1, 2012 and which are classified as "Developed Property" for the Fiscal Year 2012-13 Special Tax levy, and 40 parcels of Approved Property owned by Richmond American. See "THE COMMUNITY FACILITIES DISTRICT" herein.

According to the Riverside County Assessor's Office Certified Roll for Fiscal Year 2012-13, the assessed value of the property within the Community Facilities District subject to the levy of the Special Tax was \$203,414,917 resulting in an estimated assessed value to lien ratio of 8.06-to-1 for the property subject to the Special Tax levy in Fiscal Year 2012-13 based on the principal amount of the Series 2012 Bonds and other overlapping debt secured by *ad valorem* taxes, special taxes and assessments on such property. See "THE COMMUNITY FACILITIES DISTRICT — Estimated Assessed Value-to-Lien Ratios" herein.

Security and Sources of Payment for the Series 2012 Bonds

General. The Series 2012 Bonds are limited obligations of the Community Facilities District, and the interest on and principal of and redemption premiums, if any, on the Series 2012 Bonds are payable solely from Net Special Tax Revenues (described below) to be levied annually against the property in the Community Facilities District, and other amounts on deposit in the Special Tax Fund, the Bond Fund and the Reserve Fund. As described herein, the Special Taxes are collected along with *ad valorem* property taxes on the tax bills mailed by the Treasurer-Tax Collector of Riverside County. Although the Special Taxes will constitute a lien on the property subject to taxation in the Community Facilities District, they will not constitute a personal indebtedness of the owners of such property. There is no assurance that such owners will be financially able to pay the annual Special Taxes or that they will pay such taxes even if they are financially able to do so.

Net Special Tax Revenues. Under the Indenture, the Community Facilities District has pledged to repay the Series 2012 Bonds from Net Special Tax Revenues and other amounts held in the Special Tax Fund, the Bond Fund and the Reserve Fund established under the Indenture, subject to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein. Net Special Tax Revenues consist of Special Tax Revenues less the amount required to pay Administrative Expenses. Special Tax Revenues are defined in the Indenture to include the proceeds of the Special Taxes received by or on behalf of the Community Facilities District, including any prepayments thereof, interest and penalties thereon and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the Special Taxes and proceeds of any security for payment of Special Taxes taken in lieu of foreclosure after payment of administrative costs and attorneys' fees payable from proceeds of such redemption, sale or security.

The Net Special Tax Revenues are the primary security for the repayment of the Series 2012 Bonds. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2012 BONDS — Special Taxes." In the event that the Special Taxes are not paid when due, the only sources of funds available to pay the debt service on the Series 2012 Bonds are amounts held by the Trustee in the Special Tax Fund, the Bond Fund and the Reserve Fund. Amounts held in the Rebate Fund and the Administrative Expense Fund are not available to pay the debt service on the Series 2012 Bonds. See "SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2012 BONDS."

Proceeds of Foreclosure Sales. Pursuant to Section 53356.1 of the Act and the Indenture, the Community Facilities District will covenant in the Indenture with and for the benefit of the Owners of the Series 2012 Bonds and any additional bonds issued pursuant to the Indenture that the Community Facilities District will commence appropriate judicial foreclosure proceedings against parcels with total Special Tax delinquencies in excess of \$5,000 (not including interest and penalties thereon) by the October 1 following the close of each Fiscal Year in which the last of such Special Taxes were due and will commence appropriate judicial foreclosure proceedings against all parcels with delinquent Special Taxes by the October 1 following the close of each Fiscal Year in which it receives Special Taxes in an amount which is less than 95% of the total Special Taxes levied in such Fiscal Year, and diligently pursue to completion such foreclosure proceedings. However, notwithstanding the foregoing, the Community Facilities District may elect to accept payment from a property owner of at least the enrolled amount but less than the full amount of the penalties, interest, costs and attorneys' fees related to a Special Tax delinquency, if permitted by law. Additionally, notwithstanding the foregoing, in certain instances the amount of a Special Tax delinquency on a particular parcel is so small that the cost of appropriate foreclosure proceedings will far exceed the Special Tax delinquency and in such cases foreclosure proceedings may be delayed by the Community Facilities District until there are sufficient Special Tax delinquencies accruing to such parcel (including interest and penalties thereon) to warrant the foreclosure proceedings cost. See "SOURCES OF PAYMENT FOR THE SERIES 2012 BONDS — Special Taxes — *Proceeds of Foreclosure Sales.*"

There is no assurance that the property within the Community Facilities District can be sold for the assessed values described herein, or for a price sufficient to pay the principal of and interest on the Series 2012 Bonds in the event of a default in payment of Special Taxes by the current or future landowners within the Community Facilities District. See "SPECIAL RISK FACTORS — Property Values; Value-to-Lien Ratios" herein.

EXCEPT FOR THE NET SPECIAL TAX REVENUES AND AMOUNTS HELD IN THE SPECIAL TAX FUND, THE BOND FUND AND THE RESERVE FUND, NO OTHER FUNDS ARE PLEDGED TO THE PAYMENT OF THE SERIES 2012 BONDS. THE SERIES 2012 BONDS ARE NOT GENERAL OR SPECIAL OBLIGATIONS OF THE COUNTY BUT ARE SPECIAL OBLIGATIONS OF THE COMMUNITY FACILITIES DISTRICT PAYABLE SOLELY FROM THE NET SPECIAL TAX REVENUES AND AMOUNTS HELD IN THE SPECIAL TAX FUND, THE BOND FUND AND THE RESERVE FUND UNDER THE INDENTURE AS MORE FULLY DESCRIBED HEREIN. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF

THE COMMUNITY FACILITIES DISTRICT (EXCEPT TO THE LIMITED EXTENT SET FORTH IN THE INDENTURE), THE COUNTY, OR THE STATE OF CALIFORNIA, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE SERIES 2012 BONDS.

Under the terms of the Indenture, the Community Facilities District may issue additional bonds secured by the Net Special Tax Revenues of the Community Facilities District on a parity with the Series 2012 Bonds only to refund all or a portion of the Series 2012 Bonds. See “THE SERIES 2012 BONDS — Additional Bonds For Refunding Purposes Only.”

Description of the Series 2012 Bonds

The Series 2012 Bonds will be issued and delivered as fully registered bonds, registered in the name of Cede & Co. as nominee of The Depository Trust Company, New York, New York (“DTC”), and will be available to actual purchasers of the Series 2012 Bonds (the “Beneficial Owners”) in the denominations of \$5,000 or any integral multiple thereof, under the book-entry system maintained by DTC, only through brokers and dealers who are or act through DTC Participants as described herein. Beneficial Owners will not be entitled to receive physical delivery of the Series 2012 Bonds. In the event that the book-entry only system described herein is no longer used with respect to the Series 2012 Bonds, the Series 2012 Bonds will be registered and transferred in accordance with the Indenture. See APPENDIX F — “BOOK-ENTRY ONLY SYSTEM” herein.

Principal of, premium, if any, and interest on the Series 2012 Bonds is payable by the Trustee to DTC. Disbursement of such payments to DTC Participants is the responsibility of DTC and disbursement of such payments to the Beneficial Owners is the responsibility of DTC Participants. In the event that the book-entry only system is no longer used with respect to the Series 2012 Bonds, the Beneficial Owners will become the registered owners of the Series 2012 Bonds and will be paid principal and interest by the Trustee, all as described herein. See APPENDIX F — “BOOK-ENTRY ONLY SYSTEM” herein.

The Series 2012 Bonds are subject to optional redemption, mandatory redemption from Special Tax prepayments and mandatory sinking fund redemption as described herein. For a more complete description of the Series 2012 Bonds and the basic documentation pursuant to which they are being sold and delivered, see “THE SERIES 2012 BONDS” and APPENDIX C — “SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE” herein.

Tax Matters

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Community Facilities District, based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Series 2012 Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and is exempt from State of California personal income taxes. In the further opinion of Bond Counsel, interest on the Series 2012 Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Bond Counsel observes that such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. Bond Counsel expresses no opinion regarding any other tax consequences related to the ownership or disposition of, or the accrual or receipt of interest on, the Series 2012 Bonds. See “LEGAL MATTERS — Tax Exemption.”

THE REFUNDING PLAN

General

A portion of the proceeds from the sale of the Series 2012 Bonds will be used along with other funds held by the Community Facilities District to defease the Refunded Bonds. The Community Facilities District will enter into an Escrow Agreement with regard to the Refunded Bonds (the "Escrow Agreement"), dated as of August 1, 2012, by and between the Community Facilities District and The Bank of New York Mellon Trust Company, N.A., as prior trustee and as escrow bank (the "Escrow Agent"). An irrevocable escrow fund will be established under the Escrow Agreement (the "Escrow Fund"). The moneys deposited with the Escrow Agent will be sufficient to pay the principal of, and interest on, the Refunded Bonds due and payable on September 1, 2012, and to defease the remaining Refunded Bonds and redeem such Refunded Bonds maturing on and after September 1, 2013 on September 1, 2012 (the "Redemption Date"). Moneys on deposit in the Escrow Fund will be held uninvested in cash. The amounts in the Escrow Fund will be held by the Escrow Agent and for the benefit of the owners of the Refunded Bonds and will be applied to pay at maturity and redeem, as applicable, the Refunded Bonds which remain outstanding, in whole, on September 1, 2012. Upon the establishment of the Escrow Fund as described above, the Refunded Bonds will be discharged under the Indenture and the owners of the Refunded Bonds will have no rights thereunder except to be paid the principal and interest due on the Refunded Bonds from amounts in the Escrow Fund.

Grant Thornton LLP, upon delivery of the Series 2012 Bonds, will deliver a verification report relating to the sufficiency of moneys deposited into the Escrow Fund to pay the principal of, interest on and the redemption price with respect to the Refunded Bonds on the Redemption Date.

Mandatory Redemption from Special Tax Prepayments. The Series 2012 Bonds are subject to mandatory redemption, in whole or in part, on any Interest Payment Date on or after March 1, 2013, from and to the extent of any prepaid Special Taxes deposited in the Redemption Fund, at the following respective

Redemption Prices (expressed as percentages of the principal amount of the Series 2012 Bonds to be redeemed), plus accrued interest thereon to the date of redemption:

<i>Redemption Dates</i>	<i>Redemption Price</i>
March 1, 2013 through March 1, 2020	103%
September 1, 2020 and March 1, 2021	102
September 1, 2021 and March 1, 2022	101
September 1, 2022 and each Interest Payment Date thereafter	100

Mandatory Sinking Fund Redemption. The Series 2012 Bonds maturing September 1, 2035 (the “Series 2012 Term Bonds”) shall be subject to mandatory sinking fund redemption, in part, on September 1 in each year, commencing September 1, 2031, at a Redemption Price equal to the principal amount of the Series 2012 Bonds to be redeemed, without premium, plus accrued interest thereon to the date of redemption, in the aggregate respective principal amounts in the respective years as follows:

<i>Sinking Fund Redemption Date (September 1)</i>	<i>Principal Amount to be Redeemed</i>
2031	\$1,090,000
2032	1,145,000
2033	1,205,000
2034	1,265,000
2035 (Maturity)	1,325,000

If some but not all of the Series 2012 Term Bonds are redeemed pursuant to the optional redemption provisions of the Indenture described above, the principal amount of Series 2012 Term Bonds to be redeemed described above on any subsequent September 1 shall be reduced, by \$5,000 or an integral multiple thereof, as designated by the Community Facilities District in a Written Certificate of the Community Facilities District filed with the Trustee; provided, however, that the aggregate amount of such reductions shall not exceed the aggregate amount of Series 2012 Term Bonds so optionally redeemed.

If some but not all of the Series 2012 Term Bonds are redeemed pursuant to the mandatory redemption from Special Tax Prepayments provisions of the Indenture, the principal amount of Series 2012 Term Bonds to be redeemed described above on any subsequent September 1 shall be reduced by the aggregate principal amount of the Series 2012 Term Bonds so redeemed, such reduction to be allocated among redemption dates as nearly as practicable on a pro rata basis in amounts of \$5,000 or integral multiples thereof, as determined by the Trustee, notice of which determination shall be given by the Trustee to the Community Facilities District.

Notice of Redemption. So long as the Series 2012 Bonds are held by DTC, all notices of redemption will be sent only to DTC in accordance with its procedures and will not be delivered to any Beneficial Owner. The Trustee is obligated to mail, at least 30 days but not more than 60 days prior to the date of redemption, notice of intended redemption, by first-class mail, postage prepaid, to the original purchasers of the Series 2012 Bonds and the registered Owners of the Series 2012 Bonds at the addresses appearing on the Bond registration books. The notice of redemption must: (i) specify the CUSIP numbers (if any), the bond numbers and the maturity date or dates of the Series 2012 Bonds selected for redemption; (ii) state the date fixed for redemption and surrender of the Series 2012 Bonds to be redeemed; (iii) state the redemption price; (iv) state the place or places where the Series 2012 Bonds are to be redeemed; (v) state the date of the notice; (vi) state that interest on the Series 2012 Bonds selected for redemption will not accrue from and after the date fixed for redemption; and (vii) state any other descriptive information needed to identify accurately the Series 2012 Bonds being redeemed as shall be specified by the Trustee.

So long as notice by first class mail has been provided as set forth above, the actual receipt by the Owner of any Series 2012 Bond of notice of such redemption is not a condition precedent to redemption. Neither the failure to receive such notice nor any defect in such notice will affect the validity of the proceedings for redemption of such Series 2012 Bonds or the cessation of interest on the date fixed for redemption.

With respect to any notice of any optional redemption of Series 2012 Bonds, unless at the time such notice is given the Series 2012 Bonds to be redeemed shall be deemed to have been paid within the meaning of the Indenture, such notice shall state that such redemption is conditional upon receipt by the Trustee, on or prior to the date fixed for such redemption, of moneys that, together with other available amounts held by the Trustee, are sufficient to pay the principal of and premium, if any, on the Series 2012 Bonds on the date fixed for redemption (the "Redemption Price"), and accrued interest on, the Series 2012 Bonds to be redeemed, and that if such moneys shall not have been so received said notice shall be of no force and effect and the Community Facilities District shall not be required to redeem such Series 2012 Bonds. In the event a notice of redemption of Series 2012 Bonds contains such a condition and such moneys are not so received, the redemption of Series 2012 Bonds as described in the conditional notice of redemption shall not be made and the Trustee shall, within a reasonable time after the date on which such redemption was to occur, give notice to the Persons and in the manner in which the notice of redemption was given, that such moneys were not so received and that there shall be no redemption of Series 2012 Bonds pursuant to such notice of redemption.

Effect of Redemption. When notice has been mailed as provided in the Indenture, and moneys for the Redemption Price, and the interest to the applicable date fixed for redemption, having been set aside with the Trustee, the Series 2012 Bonds shall become due and payable on said date, and, upon presentation and surrender thereof at the Office of the Trustee, said Series 2012 Bonds shall be paid at the Redemption Price thereof, together with interest accrued and unpaid to said date.

If, on said date fixed for redemption, moneys for the Redemption Price of all the Series 2012 Bonds to be redeemed, together with interest to said date, shall be held by the Trustee so as to be available therefor on such date, and, if notice of redemption thereof shall have been mailed as aforesaid and not canceled, then, from and after said date, interest on said Series 2012 Bonds shall cease to accrue and become payable. All moneys held by or on behalf of the Trustee for the redemption of Series 2012 Bonds shall be held in trust for the account of the Owners of the Series 2012 Bonds so to be redeemed without liability to such Owners for interest thereon.

Registration, Transfer and Exchange

Registration. The Trustee will keep sufficient books for the registration and transfer of the Series 2012 Bonds. The ownership of the Series 2012 Bonds will be established by the bond registration books held by the Trustee.

Transfer or Exchange. Whenever any Series 2012 Bond is surrendered for registration of transfer or exchange, the Community Facilities District shall execute and Trustee will authenticate and deliver a new Series 2012 Bond or Series 2012 Bonds of the same maturity, for a like aggregate principal amount of authorized denominations; provided that the Trustee will not be required to register transfers or make exchanges of (i) Series 2012 Bonds for a period of 15 days next preceding the date of any selection of the Series 2012 Bonds to be redeemed, or (ii) any Series 2012 Bonds chosen for redemption.

Additional Bonds for Refunding Purposes Only

The Community Facilities District may at any time after the issuance and delivery of the Series 2012 Bonds issue additional bonds ("Additional Bonds") for refunding purposes and to pay the costs of issuance relating to such Additional Bonds and provide funds to make a deposit to the Reserve Fund as required by the Indenture, only payable from the Net Special Tax Revenues and other amounts deposited in the Special Tax

Fund. The issuance of Additional Bonds is subject to specific conditions including that the Community Facilities District must be in compliance with all covenants set forth in the Indenture and any Supplement then in effect. See APPENDIX C — “SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Additional Bonds — Conditions for the Issuance of Additional Bonds” for the conditions to the issuance of Additional Bonds. The Series 2012 Bonds and any Additional Bonds are referred to herein as the “Bonds.”

SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2012 BONDS

Covenants and Warranties

The Community Facilities District will covenant in the Indenture to comply with the covenants and warranties therein, which will be in full force and effect upon the issuance of the Series 2012 Bonds. See APPENDIX C — “SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Covenants.”

Limited Obligations

The Series 2012 Bonds are limited obligations of the Community Facilities District, and the interest on and principal of and redemption premiums, if any, on the Series 2012 Bonds are payable solely from Net Special Tax Revenues (described below) to be levied annually against the property in the Community Facilities District, and other amounts on deposit in the Special Tax Fund, the Bond Fund and the Reserve Fund.

Under the Indenture, the Community Facilities District has pledged to repay the Series 2012 Bonds from Net Special Tax Revenues and other amounts held in the Special Tax Fund, the Bond Fund and the Reserve Fund established under the Indenture, subject to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein. Net Special Tax Revenues consist of Special Tax Revenues less the amount required to pay Administrative Expenses. Special Tax Revenues are defined in the Indenture to include the proceeds of the Special Taxes received by or on behalf of the Community Facilities District, including any prepayments thereof, interest and penalties thereon and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the Special Taxes, and proceeds of the redemption or sale of property sold as a result of foreclosure of the lien of the Special Taxes and any proceeds of any security for payment of Special Taxes taken in lieu of foreclosure after payment of administrative costs and attorneys’ fees payable from proceeds of such redemption, sale or security.

The Net Special Tax Revenues are the primary security for the repayment of the Series 2012 Bonds. In the event that the Special Taxes are not paid when due, the only sources of funds available to pay the debt service on the Series 2012 Bonds are amounts held by the Trustee in the Special Tax Fund, the Bond Fund and the Reserve Fund. Amounts held in the Rebate Fund and the Administrative Expense Fund are not available to pay the debt service on the Series 2012 Bonds. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2012 BONDS.”

EXCEPT FOR THE NET SPECIAL TAX REVENUES AND AMOUNTS HELD IN THE SPECIAL TAX FUND, THE BOND FUND AND THE RESERVE FUND, NO OTHER FUNDS ARE PLEDGED TO THE PAYMENT OF THE SERIES 2012 BONDS. THE SERIES 2012 BONDS ARE NOT GENERAL OR SPECIAL OBLIGATIONS OF THE COUNTY BUT ARE SPECIAL OBLIGATIONS OF THE COMMUNITY FACILITIES DISTRICT PAYABLE SOLELY FROM THE NET SPECIAL TAX REVENUES AND AMOUNTS HELD IN THE SPECIAL TAX FUND, THE BOND FUND AND THE RESERVE FUND UNDER THE INDENTURE AS MORE FULLY DESCRIBED HEREIN. NEITHER THE FAITH AND CREDIT NOR THE TAXING POWER OF THE COMMUNITY FACILITIES DISTRICT (EXCEPT TO THE LIMITED EXTENT SET FORTH IN THE INDENTURE), THE COUNTY, OR THE STATE OF CALIFORNIA, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE SERIES 2012 BONDS.

Special Taxes

Authorization and Pledge. In accordance with the provisions of the Act, the Board of Supervisors of the County established the Community Facilities District on January 11, 2005 for the purpose of financing the acquisition, construction and installation of various public improvements required in connection with the proposed development within the Community Facilities District. At a special election held on January 11, 2005, the owners of the property within the Community Facilities District authorized the Community Facilities District to incur indebtedness in an amount not to exceed \$32,500,000, and approved a rate and method of apportionment of Special Taxes (the “Rate and Method”), a copy of which is attached as APPENDIX A to this Official Statement, authorizing the Special Tax to be levied to repay indebtedness with respect to the Community Facilities District.

The Community Facilities District will covenant in the Indenture that, beginning with Fiscal Year 2012-13, the Community Facilities District will fix and levy the amount of Special Taxes within the Community Facilities District in each Fiscal Year in accordance with the Rate and Method and, subject to the limitations in the Rate and Method as to the maximum Special Tax that may be levied, in an amount sufficient to yield Special Tax Revenues in the amount required for (i) the payment of principal of and interest on any Outstanding Bonds becoming due and payable during the Bond Year commencing in such Fiscal Year, (ii) any necessary replenishment of the Reserve Fund, and (iii) the payment of Administrative Expenses estimated to be paid from such Special Tax Revenues, taking into account the balances in the funds and accounts established under the Indenture.

The Special Taxes levied in any fiscal year may not exceed the maximum rates authorized pursuant to the Rate and Method. See APPENDIX A — “RATE AND METHOD OF APPORTIONMENT OF SPECIAL TAXES” hereto. There is no assurance that the Special Tax proceeds will, in all circumstances, be adequate to pay the principal of and interest on the Series 2012 Bonds, or any Additional Bonds, when due. See “SPECIAL RISK FACTORS — Insufficiency of Special Taxes” herein.

Rate and Method of Apportionment of Special Taxes. All capitalized terms used in this section shall have the meaning in the Rate and Method, the text of which is set forth in full in APPENDIX A.

The Special Tax is levied and collected according to the Rate and Method, which provides the means by which the Board may annually levy the Special Taxes within the Community Facilities District, up to the Maximum Special Tax, and to determine the amount of the Special Tax that will need to be collected each Fiscal Year from the “Taxable Property” within the Community Facilities District.

The following is a synopsis of the provisions of the Rate and Method, which should be read in conjunction with the complete text of the Rate and Method, including its attachments, which is attached as Appendix A. The meaning of the capitalized terms used but not defined in this section are as set forth in Appendix A. *This section provides only a summary of the Rate and Method, and is qualified by more complete and detailed information contained in the entire Rate and Method attached as Appendix A.*

Special Tax Requirement. The Rate and Method defines the “Special Tax Requirement” as that amount required in any Fiscal Year to pay the following:

- (i) annual debt service on all Outstanding Bonds due in the calendar year which commences in such Fiscal Year;
- (ii) periodic costs on the Bonds, including but not limited to, credit enhancement and rebate payments on the Bonds;
- (iii) Administrative Expenses (as defined in the Rate and Method);

(iv) an amount equal to any anticipated shortfall due to Special Tax delinquencies in the prior Fiscal Year; and

(v) any amount required to establish or replenish any reserve funds for the Bonds,

less a credit for funds available to reduce the annual Special Tax levy as determined by the Administrator.

Assignment to Land Use Category. Each Fiscal Year, commencing with the 2005-06 Fiscal Year, all Parcels of Taxable Property within the Community Facilities District will be classified as Developed Property, Approved Property, Undeveloped Property, Public Property, or Property Owner's Association Property, as described below.

“Developed Property” means all Parcels of Taxable Property: (i) that are included in a Final Map that was recorded prior to the January 1st preceding the Fiscal Year in which the Special Tax is being levied, and (ii) that have been issued a building permit prior to the April 1st preceding the Fiscal Year in which the Special Tax is being levied.

“Approved Property” means all Parcels of Taxable Property: (i) that are included in a Final Map that was recorded prior to the January 1st preceding the Fiscal Year in which the Special Tax is being levied, and (ii) that have not been issued a building permit prior to the April 1st preceding the Fiscal Year in which the Special Tax is being levied.

“Undeveloped Property” means all Taxable Property not classified as Developed Property, Approved Property, Public Property or Property Owner's Association Property that is not Exempt Property.

“Public Property” means, for any Fiscal Year, any Parcel within the boundary of the Community Facilities District which, as of the January 1 preceding the Fiscal Year for which the Special Tax is being levied, is owned by, dedicated to, or irrevocably offered for dedication to the federal government, the State of California, the County, or any other public agency, provided, however, that any Parcel leased by a public agency to a private entity and subject to taxation under Section 53340.1 of the Act will be taxed and classified according to its use.

“Property Owner's Association Property” means any Parcel which, as of the January 1 preceding the Fiscal Year for which the Special Tax is being levied, is owned by a property owner association, including any master or sub-association.

“Taxable Property” means all Parcels in the Community Facilities District which are not exempt from the Special Tax under law or under the Rate and Method.

“Exempt Property” is defined as up to 628.30 Acres of Public Property and Property Owner's Association Property. Exempt Property status will be assigned by the Administrator in the chronological order in which property becomes Public Property and Property Owner's Association Property. After the limit of 628.30 Acres has been reached, the Maximum Special Tax obligation for any additional Public Property or Property Owner's Association Property will be subject to the levy of the Special Tax as provided for in the Rate and Method, to the extent permitted under the Act and applicable laws. However, if 10.11 acres are dedicated for the purpose of a school site, these 10.11 Acres will be exempt in addition to the 628.30 Acres.

Maximum Special Tax Rate. The Maximum Special Tax rate is defined in the Rate and Method as follows:

Developed Property. Commencing Fiscal Year 2005-06, and each Fiscal Year thereafter, the Maximum Special Tax for each Parcel of Residential Property classified as Developed Property will be the greater of (i) the applicable Assigned Special Tax set or (ii) the Backup Special Tax. Commencing Fiscal Year

2005-06, and each Fiscal Year thereafter, the Maximum Special Tax for each Parcel of Non-Residential Property classified as Developed Property will be the Assigned Special Tax.

- *Assigned Annual Special Tax.* The Assigned Special Tax for each Parcel of Developed Property is determined by reference to Table 1 in the Rate and Method, which is as follows:

<i>Land Use Category</i>	<i>Taxable Unit</i>	<i>Assigned Special Tax Per Taxable Unit</i>
1-Residential Property (4,201 or more Sq.Ft.)	D/U	\$5,170
2-Residential Property (4,001 to 4,200 Sq.Ft.)	D/U	\$4,615
3-Residential Property (3,601 to 4,000 Sq.Ft.)	D/U	\$4,470
4-Residential Property (3,401 to 3,600 Sq.Ft.)	D/U	\$4,065
5-Residential Property (3,201 to 3,400 Sq.Ft.)	D/U	\$3,965
6-Residential Property (3,001 to 3,200 Sq.Ft.)	D/U	\$3,740
7-Residential Property (2,801 to 3,000 Sq.Ft.)	D/U	\$3,515
8-Residential Property (2,501 to 2,800 Sq.Ft.)	D/U	\$3,415
9-Residential Property (2,500 or less Sq Ft.)	D/U	\$3,170
10 - Non-Residential Property	Acre	\$14,445

- *Backup Special Tax.* The Backup Special Tax for each Parcel of Residential Property created by a specific Final Map will be determined by multiplying \$14,445 by the total Acreage of Taxable Property within the Final Map, excluding the Acreage associated with lots or Parcels that are or are expected to be classified as Non-Residential Property, Public Property and Property Owner's Association Property under the current land use entitlements in such Final Map, and dividing such amount by the total number of lots classified or expected to be classified as Residential Property within the specific Final Map.

If a single Final Map is recorded for Tract No. 28815 and a single Final Map is recorded for Tract No. 28816 at the same time, both Final Maps will be treated as a single Final Map for purposes of determining the Backup Special Tax.

Notwithstanding the foregoing, if the number of Parcels of Residential Property in a specific Final Map is subsequently changed or modified by recordation of a lot line adjustment or similar instrument, then the Backup Special Tax will be recalculated for the area that has been changed or modified using the methodology described in the preceding paragraph.

Approved Property. The Maximum Special Tax for each Parcel of Approved Property expected to be classified as Residential Property under the current land use entitlements will be the Backup Special Tax computed as set forth above. The Maximum Special Tax for each Parcel of Approved Property expected to be classified as Non-Residential Property under the current land use entitlements will be \$14,445 per Acre.

Public Property and/or Property Owner's Association Property that is not Exempt Property. The Maximum Special Tax for each Parcel of Public Property or Property Owner's Association Property that is not Exempt Property will be the amount determined by multiplying the Acreage of the Parcel by \$14,445 per Acre.

Undeveloped Property. The Maximum Special Tax for each Parcel of Undeveloped Property will be the amount determined by multiplying the Acreage of the Parcel by \$14,445 per Acre.

Method of Apportionment. Under the Rate and Method, commencing with Fiscal Year 2005-06 and for each following Fiscal Year, the Legislative Body will determine the Special Tax Requirement and will levy the Special Tax until the amount of Special Taxes equals the Special Tax Requirement. The Special Tax will be levied each Fiscal Year as follows:

First. The Special Tax will be levied Proportionately on each Parcel of Developed Property at up to 100% of the applicable Assigned Special Tax to satisfy the Special Tax Requirement.

Second. If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax will be levied Proportionately on each Parcel of Approved Property at up to 100% of the Maximum Special Tax for Approved Property.

Third. If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax will be levied Proportionately on each Parcel of Undeveloped Property at up to 100% of the Maximum Special Tax for Undeveloped Property.

Fourth. If additional moneys are needed to satisfy the Special Tax Requirement after the first three steps have been completed, the Special Tax to be levied on each Parcel of Developed Property whose Maximum Special Tax is derived by the application of the Backup Special Tax will be increased in equal percentages from the Assigned Special Tax up to the Maximum Special Tax for each such Parcel, as needed.

Fifth. If additional monies are needed to satisfy the Special Tax Requirement after the first four steps have been completed, the Special Tax will be levied Proportionately on each Parcel of Public Property and/or Property Owner's Association Property that is not Exempt Property at up to 100% of the Maximum Special Tax.

Notwithstanding the above, under no circumstances will the Special Taxes levied against any Parcel of Residential Property be increased by more than 10% per Fiscal Year as a consequence of delinquency or default by the owner of any other Parcel within the Community Facilities District.

Appeals. Any owner of a Parcel claiming that the amount or application of the Special Tax levied on the Parcel is not correct and requesting a refund may file a written notice of appeal with the Administrator after the Special Tax in dispute has been paid but, not later than 12 months after the mailing of the property tax bill on which the Special Tax appears. The Administrator will promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, convene the CFD special tax review board and decide the appeal. This procedure will be exclusive and its exhaustion by any property owner will be a condition precedent to any legal action by such owner.

Full Prepayment of Annual Special Taxes. The Maximum Special Tax obligation may only be prepaid and permanently satisfied for a Parcel of Public Property, Property Owner's Association Property, Developed Property, Approved Property or Undeveloped Property for which a building permit has been issued, provided that the terms set forth under the Rate and Method are satisfied, including (among others) the following conditions:

- A prepayment may be made only if there are no delinquent Special Taxes with respect to such Parcel at the time of prepayment.
- No Special Tax prepayment will be allowed unless the amount of Maximum Special Taxes that may be levied on all Parcels of Taxable Property after the proposed prepayment will be at least 1.1 times maximum annual debt service on the Bonds that will remain outstanding after the prepayment plus estimated annual Administrative Expenses.

The Prepayment Amount is generally calculated as the amount of outstanding Bonds to be redeemed with the Special Tax prepayment, plus the applicable Bond redemption premium, interest, and administrative fees and expenses, and less a reserve fund credit, all as set forth in further detail in Appendix A.

Partial Prepayment of Annual Special Taxes. The Maximum Special Tax obligation on a Parcel of Developed Property may be partially prepaid in increments of \$5,000.

The partial prepayment amount is generally calculated as the full Prepayment Amount multiplied by the percent by which the owner of the Parcels is partially prepaying the Maximum Special Tax obligation, all as set forth in further detail in Appendix A.

Duration of Special Tax Levy. Special Taxes will be levied for the period necessary to satisfy the Special Tax Requirement, but in no event may it be levied after Fiscal Year 2035-36 or the stated maturity of the Bonds, whichever is sooner.

Collection and Application of Special Taxes. The Special Taxes are levied and collected by the Treasurer-Tax Collector of the County in the same manner and at the same time as ad valorem property taxes. The Community Facilities District may, however, collect the Special Taxes at a different time or in a different manner if necessary to meet its financial obligations.

The County assesses and collects secured and unsecured property taxes for the cities, school districts, and special districts within the County, including the Special Taxes for the Community Facilities District. The delinquency dates for property tax payment are December 10 for the first installment and April 10 for the second installment. Once the property taxes are collected, the County conducts its internal reconciliation for accounting purposes and distributes the Community Facilities District's share of such taxes (including the Special Taxes) to the Community Facilities District, periodically and typically pursuant to a published schedule. Prior to distribution, the moneys are deposited in an account established on behalf of the Community Facilities District in the County Treasurer's Investment Pool (the "Pool"). If the County or the Pool were at any time to become subject to bankruptcy proceedings, it is possible that the Special Taxes could be temporarily unavailable to the Community Facilities District.

The County has adopted a Teeter Plan as provided for in Section 4701 et seq. of the California Revenue and Taxation Code, under which a tax distribution procedure is implemented and secured roll taxes are distributed to taxing agencies within the County on the basis of the tax levy, rather than on the basis of actual tax collections. However, by policy, the County does not include assessments, reassessments and special taxes in its Teeter program. The Special Taxes are not included in the County's Teeter Program.

The Community Facilities District will make certain covenants in the Indenture for the purpose of ensuring that the current maximum Special Tax rates and method of collection of the Special Taxes are not altered in a manner that would impair the Community Facilities District's ability to collect sufficient Special Taxes to pay debt service on the Bonds and Administrative Expenses when due. The Community Facilities District will covenant in the Indenture not to initiate proceedings under the Act to modify the Rate and Method if such modification would adversely affect the security for the Bonds. If an initiative is adopted that purports to modify the Rate and Method in a manner that would adversely affect the security for the Bonds, the Community Facilities District shall, to the extent permitted by law, commence and pursue reasonable legal actions to prevent the modification of the Rate and Method in a manner that would adversely affect the security for the Bonds. See "SPECIAL RISK FACTORS — Proposition 218."

Although the Special Taxes constitute liens on taxed parcels within the Community Facilities District, they do not constitute a personal indebtedness of the owners of property within the Community Facilities District. In addition to the obligation to pay Special Taxes, properties in the Community Facilities District are subject to other assessments and special taxes as set forth under Table 2 herein. These other special taxes and assessments are co-equal to the lien for the Special Taxes. Moreover, other liens for taxes and assessments could come into existence in the future in certain situations without the consent or knowledge of the County or the landowners in the Community Facilities District. See "SPECIAL RISK FACTORS — Parity Taxes and Special Assessments" herein. There is no assurance that property owners will be financially able to pay the annual Special Taxes or that they will pay such taxes even if financially able to do so, all as more fully described in the section of this Official Statement entitled "SPECIAL RISK FACTORS."

Under the terms of the Indenture, all Special Tax Revenues received by the Community Facilities District are to be deposited in the Special Tax Fund; provided, however, that with respect to any Special Tax Revenues that represent prepaid Special Taxes that are to be applied to the redemption of the Bonds in accordance with the provisions of the Indenture, said prepaid Special Taxes shall be identified as such in a Written Certificate of the Community Facilities District delivered to the Trustee at the time such prepaid Special Taxes are transferred to the Trustee, the portion of such prepaid Special Taxes to be applied to the Redemption Price of the Bonds to be so redeemed shall be identified in such Written Certificate of the Community Facilities District and shall be deposited by the Trustee in the Redemption Fund and the portion of such prepaid Special Taxes to be applied to the payment of interest on the Bonds to be so redeemed shall be identified in such Written Certificate of the Community Facilities District and shall be deposited by the Trustee in the Bond Fund.. See “— Special Tax Fund” and APPENDIX C — “SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE.”

Proceeds of Foreclosure Sales. The proceeds of delinquent Special Taxes received following a judicial foreclosure sale of parcels within the Community Facilities District resulting from a landowner’s failure to pay the Special Taxes when due, up to the amount of the delinquent Special Tax lien, are included within the Net Special Tax Revenues pledged to the payment of principal and interest on the Bonds under the Indenture.

Pursuant to Section 53356.1 of the Act, in the event of any delinquency in the payment of any Special Tax or receipt by the Community Facilities District of Special Taxes in an amount which is less than the Special Tax levied, the Board of Supervisors of the County, as the legislative body of the Community Facilities District, may order that Special Taxes be collected by a superior court action to foreclose the lien within specified time limits. In such an action, the real property subject to the unpaid amount may be sold at a judicial foreclosure sale. Under the Act, the commencement of judicial foreclosure following the nonpayment of a Special Tax is not mandatory. However, the Community Facilities District will covenant in the Indenture with and for the benefit of the Owners of the Bonds that the Community Facilities District will commence appropriate judicial foreclosure proceedings against parcels with total Special Tax delinquencies in excess of \$5,000 (not including interest and penalties thereon) by the October 1 following the close of each Fiscal Year in which the last of such Special Taxes were due and will commence appropriate judicial foreclosure proceedings against all parcels with delinquent Special Taxes by the October 1 following the close of each Fiscal Year in which it receives Special Taxes in an amount which is less than 95% of the total Special Taxes levied in such Fiscal Year, and diligently pursue to completion such foreclosure proceedings. However, notwithstanding the foregoing, the Community Facilities District may elect to accept payment from a property owner of at least the enrolled amount but less than the full amount of the penalties, interest, costs and attorneys’ fees related to a Special Tax delinquency, if permitted by law. Additionally, notwithstanding the foregoing, in certain instances the amount of a Special Tax delinquency on a particular parcel is so small that the cost of appropriate foreclosure proceedings will far exceed the Special Tax delinquency and in such cases foreclosure proceedings may be delayed by the Community Facilities District until there are sufficient Special Tax delinquencies accruing to such parcel (including interest and penalties thereon) to warrant the foreclosure proceedings cost. See APPENDIX C — “SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Covenants” herein.

If foreclosure is necessary and other funds (including amounts in the Reserve Fund) have been exhausted, debt service payments on the Series 2012 Bonds could be delayed until the foreclosure proceedings have ended with the receipt of any foreclosure sale proceeds. Judicial foreclosure actions are subject to the normal delays associated with court cases and may be further slowed by bankruptcy actions, involvement by agencies of the federal government and other factors beyond the control of the County and the Community Facilities District. See “SPECIAL RISK FACTORS — Bankruptcy and Foreclosure” herein. Moreover, no assurances can be given that the real property subject to foreclosure and sale at a judicial foreclosure sale will be sold or, if sold, that the proceeds of such sale will be sufficient to pay any delinquent Special Tax installment. See “SPECIAL RISK FACTORS — Property Values; Value-to-Lien Ratios” herein. Although the Act authorizes the Community Facilities District to cause such an action to be commenced and diligently

pursued to completion, the Act does not impose on the Community Facilities District or the County any obligation to purchase or acquire any lot or parcel of property sold at a foreclosure sale if there is no other purchaser at such sale. The Act provides that, in the case of a delinquency, the Special Tax will have the same lien priority as is provided for *ad valorem* taxes.

Estimated Debt Service Coverage

Special Taxes will be levied each year in an amount equal to the Special Tax Requirement determined in accordance with the Rate and Method. The Special Tax Requirement is calculated to include an amount equal to the debt service on the Bonds in the ensuing Bond Year plus the amount required to maintain the Reserve Fund at the Reserve Requirement plus the amount needed to pay Administrative Expenses, less the amount of earnings on deposit in the Reserve Fund in excess of the Reserve Requirement. The Special Tax Requirement in Fiscal Year 2012-13 is approximately \$1,497,944, with \$45,000 of this amount budgeted to pay Administrative Expenses.

The Special Tax Requirement in Fiscal Year 2012-13 is approximately 69.5% of the Maximum Special Tax rates. However, pursuant to Section 53321(d) of the California Government Code, Special Taxes levied on any parcel of property used for private residential purposes in the Community Facilities District may not be increased by more than 10% in any fiscal year as a consequence of delinquency or default by the owner of any other parcel within the Community Facilities District. As a result, it is possible that the Community Facilities District may not be able to levy Special Taxes at the full amount of the Maximum Special Tax rates, as a result of high delinquencies. Assuming no delinquencies, the Special Taxes that may be levied within the Community Facilities District are at least 110% of maximum annual debt service on the Bonds plus estimated Administrative Expenses in each of the years the Bonds are outstanding.

Special Tax Fund

The Trustee shall establish and maintain a separate fund designated the "Special Tax Fund." As soon as practicable after the receipt by the Community Facilities District of any Special Tax Revenues, the Community Facilities District shall transfer such Special Tax Revenues to the Trustee for deposit in the Special Tax Fund; provided, however, that with respect to any Special Tax Revenues that represent prepaid Special Taxes that are to be applied to the redemption of the Bonds in accordance with the provisions of the Indenture, said prepaid Special Taxes shall be identified as such in a Written Certificate of the Community Facilities District delivered to the Trustee at the time such prepaid Special Taxes are transferred to the Trustee, the portion of such prepaid Special Taxes to be applied to the Redemption Price of the Bonds to be so redeemed shall be identified in such Written Certificate of the Community Facilities District and shall be deposited by the Trustee in the Redemption Fund and the portion of such prepaid Special Taxes to be applied to the payment of interest on the Bonds to be so redeemed shall be identified in such Written Certificate of the Community Facilities District and shall be deposited by the Trustee in the Bond Fund.

Disbursements. Upon receipt of a Written Request of the Community Facilities District, the Trustee shall withdraw from the Special Tax Fund and transfer to the Administrative Expense Fund the amount specified in such Written Request of the Community Facilities District as the amount necessary to be transferred thereto in order to have sufficient amounts available therein to pay Administrative Expenses.

On the Business Day immediately preceding each Interest Payment Date, after having made any requested transfer to the Administrative Expense Fund, the Trustee shall make the following transfers in the following order of priority:

Bond Fund. The Trustee shall withdraw from the Special Tax Fund and transfer to the Bond Fund, Net Special Tax Revenues in the amount, if any, necessary to cause the amount on deposit in the Bond Fund to be equal to the principal and interest due on the Bonds on such Interest Payment Date; and

Reserve Fund. After having made any transfers required to be made pursuant to the preceding paragraph, the Trustee shall withdraw from the Special Tax Fund and transfer to the Reserve Fund, Net Special Tax Revenues in the amount, if any, necessary to cause the amount on deposit in the Reserve Fund to be equal to the Reserve Requirement.

Bond Fund

The Trustee will hold the Bond Fund (as defined in the Indenture) for the benefit of the Bond Owners.

On each Interest Payment Date, the Trustee will withdraw from the Bond Fund and pay to the Bond Owners the principal, if any, of and interest on the Bonds then due and payable, including principal due and payable by reason of mandatory sinking fund redemption of such Bonds.

In the event that, on an Interest Payment Date, amounts in the Bond Fund are insufficient to pay the principal, if any, of and interest on the Bonds due and payable on such interest Payment Date, including principal due and payable by reason of mandatory sinking fund redemption of such Bonds, the Trustee shall apply available funds therein in accordance with the provisions of the Indenture relating to the application of Net Special Tax Revenues upon a default. See APPENDIX E — “SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Events of Default and Remedies — Application of Net Special Tax Revenues After Default.”

Redemption Fund

Moneys in the Redemption Fund shall be set aside and used solely for the purpose of redeeming Bonds in accordance with the Indenture.

Reserve Fund

Certain proceeds of the Series 2012 Bonds will be deposited into the Reserve Fund in an amount equal to the Reserve Requirement (see “ESTIMATED SOURCES AND USES OF FUNDS” herein). Reserve Requirement is defined in the Indenture to mean, as of any date of calculation, an amount equal to the least of (a) 10% of the original aggregate principal amount of the Bonds (excluding Bonds refunded with proceeds of subsequently issued Bonds), (b) the Maximum Annual Debt Service on the Bonds and (c) 125% of the Average Annual Debt Service on the Bonds.

If a portion of Bonds are to be redeemed, a proportionate amount in the Reserve Fund (determined on the basis of the principal of such Bonds to be redeemed and the original principal of such Bonds) will be applied to the redemption of such Bonds; provided, however, that such amount shall be so transferred only if and to the extent that the amount remaining on deposit in the Reserve Fund will be at least equal to the Reserve Requirement (excluding from the calculation thereof said Bonds to be redeemed).

Except as otherwise provided in the Indenture, all amounts deposited in the Reserve Fund shall be used and withdrawn by the Trustee solely for the purpose of making transfers to the Bond Fund in the event of any deficiency at any time in the Bond Fund of the amount then required for payment of the principal of and interest on the Bonds or, in accordance with the provisions of the Indenture, for the purpose of redeeming Bonds. Transfers shall be made from the Reserve Fund to the Bond Fund in the event of a deficiency in the Bond Fund, in accordance with the Indenture.

Moneys in the Reserve Fund will be invested and deposited as described in the Indenture. Any interest or profits or other income received with respect to investments held in the Reserve Fund will be transferred to the Special Tax Fund, as directed by the Indenture, to the extent amounts on deposit on the Reserve Fund exceed the Reserve Requirement.

See APPENDIX E — “SUMMARY OF CERTAIN PROVISIONS OF THE INDENTURE — Security For Bonds; Flow of Funds; Investments — Investment of Moneys” for a description of the timing, purpose and manner of disbursements from the Reserve Fund.

Administrative Expense Fund

The Trustee will receive the transfer of Special Taxes from the Community Facilities District from the Special Tax Fund and deposit in the Administrative Expense Fund an amount sufficient to pay Administrative Expenses.

Moneys in the Administrative Expense Fund will not be pledged to payment of debt service on the Bonds.

THE COMMUNITY FACILITIES DISTRICT

General Description of the Community Facilities District

The Community Facilities District is located in the northwestern portion of the County, in an unincorporated area approximately one mile south of the 91 Freeway and approximately three miles east of the I-15 Freeway. The property is generally surrounded by City of Corona to the west, an unincorporated community of Home Gardens to the northwest, the City of Riverside to the north, unincorporated Riverside County area to the south and east, and Lake Mathews just over a mile to the southeast.

The Community Facilities District is situated along Lakepointe Drive and Skyridge Drive, and extends for nearly two miles between Indiana Avenue (nearby to the northwest) and La Sierra Avenue (nearby to the southeast). All of the taxable property in the Community Facilities District is being developed for residential use as single-family detached homes. As of June 30, 2012, there were 441 completed single family detached homes which had been conveyed to individual homeowners, 30 additional parcels owned by Richmond American, the developer within the Community Facilities District, for which building permits had been obtained as of April 1, 2012 and which are classified as “Developed Property” for the Fiscal Year 2012-13 Special Tax levy, and 40 parcels of Approved Property owned by Richmond American.

A portion of the proceeds of the bonds originally issued by the Community Facilities District was used to acquire and construct various public facilities authorized to be acquired or constructed within the Community Facilities District. These proceeds have all been expended and the public improvements to be financed by the Community Facilities District are complete. The completed improvements include the acquisition and construction of certain roads and appurtenant drainage facilities, water and sewer facilities, flood control and storm water drainage facilities and related grading as required as a condition of development of the property within the Community Facilities District.

Estimated Direct and Overlapping Indebtedness

Within the boundaries of the Community Facilities District are numerous overlapping local agencies providing public services. Some of these local agencies have outstanding bonds which are secured by taxes and assessments on the parcels within the Community Facilities District and others have authorized but have not yet issued bonds which, if issued, will be secured by taxes and assessments levied on parcels within the Community Facilities District. The approximate amount of the direct and overlapping debt secured by such taxes and assessments on the parcels within the Community Facilities District for Fiscal Year 2011-12 is shown in Table 1 below.

In addition to the bonded indebtedness set forth in Table 1, new community facilities districts or special assessment districts may be formed which may include all or a portion of the Community Facilities District, and, upon approval of the registered voters or landowners in such districts, as applicable, may issue more bonds and levy additional special taxes or other taxes and assessments. In addition to the Special Taxes, the property owners in the Community Facilities District will be required to pay the general *ad valorem* property taxes for their parcels.

Expected Tax Burden

Table 2 below sets forth estimated property tax bills for individually owned residential units in the Community Facilities District ranging in size from under 2,500 square feet to over 4,200 square feet. The estimated tax rates and amounts presented herein are based on property tax information for Fiscal Year 2011-12 and assessed values from the Riverside County Assessor's Office Fiscal Year 2012-13 Certified Roll. The actual amounts charged may vary and may increase in future years. Based on the property tax information for Fiscal Year 2011-12 and Fiscal Year 2012-13 assessed values, the estimated total effective tax rate range for units in the Community Facilities District is approximately 1.79% of assessed value to approximately 1.97% of assessed value.

Principal Taxpayers

In Fiscal Year 2012-13, approximately 94.87% of the Special Taxes are levied on parcels of developed single family detached residential property which have been conveyed to individual homeowners, and approximately 5.13% on parcels of Developed Property owned by Richmond American, the developer within the Community Facilities District. Other than Richmond American, no other property tax owner in the Community Facilities District is responsible for more than 0.49% of the Special Tax levy in Fiscal Year 2012-13. A summary of the top taxpayers with more than one parcel within the Community Facilities District is set forth in Table 3 below. Approved properties owned by Richmond American are not expected to be levied for Special Taxes in Fiscal Year 2012-13 and are excluded from Table 3.

Delinquency History

Table 4 below summarizes the Special Tax delinquencies for property within the boundaries of the Community Facilities District for Fiscal Years 2007-08 through 2011-12. The highest fiscal year end delinquency rate in any of these years was 11.26% for Fiscal Year 2007-08 as of September 30, 2009, during the real estate market slowdown which began in 2007. See “SPECIAL RISK FACTORS — Risks Relating to Current Market Conditions” and “— Economic Uncertainty.” However, delinquency rates within the Community Facilities District have declined significantly since that time. The delinquency rate for Fiscal Year 2011-12 was 1.41% as of July 30, 2012. The largest property owner in the Community Facilities District, Richmond American, is not delinquent in the payment of any Special Taxes. Currently, there are no foreclosure actions in process in the Community Facilities District.

The County has adopted a Teeter Plan for the collection and payment of taxes pursuant to which it pays 100% of the amount levied to participating agencies without regard to the actual amount of collections. The Community Facilities District does not participate in the County’s Teeter Plan and, as a result, the Community Facilities District receives only the Special Taxes actually collected. Penalties and interest received on the collection of delinquent Special Taxes are also pledged under the Indenture to repay the Series 2012 Bonds.

Table 6 below sets forth the estimated assessed value-to-lien ratios for various categories of property ownership within the Community Facilities District based upon ownership status as of June 30, 2012 and the assessed values included on the Fiscal Year 2012-13 Assessor's roll. The assessed value of the taxable parcels within the Community Facilities District for Fiscal Year 2012-13 is \$203,414,917. The estimated assessed value-to-lien ratio of the property within the Community Facilities District based upon the principal amount of the Series 2012 Bonds, overlapping debt payable from other taxes and assessments levied on the property within the Community Facilities District, and the assessed values included on the 2012-13 Assessor's roll is 8.06-to-1. Because a parcel's assessed value generally represents the lower of its acquisition cost and adjustments for inflation (but not more than 2% per year) or its current market value, it may not be indicative of the parcel's market value. No assurance can be given that any of the value-to-lien ratios in Table 6 will be maintained during the period of time that the Series 2012 Bonds are outstanding. The Community Facilities District does not have any control over future property values or the amount of additional indebtedness that may be issued in the future by other public agencies, the payment of which is made through the levy of a tax or an assessment with a lien on a parity with the Special Taxes. See "SPECIAL RISK FACTORS—Property Values; Value-to-Lien Ratios."

SPECIAL RISK FACTORS

The purchase of the Series 2012 Bonds involves significant investment risks and, therefore, the Series 2012 Bonds may not be suitable investments for many investors. The Series 2012 Bonds are not rated by any nationally recognized rating agency. The following is a discussion of certain risk factors which should be considered, in addition to other matters set forth herein, in evaluating the investment quality of the Series 2012 Bonds. This discussion does not purport to be comprehensive or definitive. The occurrence of one or more of the events discussed herein could adversely affect the ability or willingness of property owners in the Community Facilities District to pay their Special Taxes when due. Such failures to pay Special Taxes could result in the inability of the Community Facilities District to make full and punctual payments of debt service on the Series 2012 Bonds. In addition, the occurrence of one or more of the events discussed herein could adversely affect the value of the property in the Community Facilities District. See “SPECIAL RISK FACTORS — Property Values; Value-to-Lien Ratios” and “— Limited Secondary Market” below.

Risks of Real Estate Secured Investments Generally

The Owners of the Series 2012 Bonds will be subject to the risks generally incident to an investment secured by real estate, including, without limitation, (i) adverse changes in local market conditions, such as changes in the market value of real property in the vicinity of the Community Facilities District, the supply of or demand for competitive properties in such area, and the market value of residential property or commercial buildings and/or sites in the event of sale or foreclosure; (ii) changes in real estate tax rates and other operating expenses, governmental rules (including, without limitation, zoning laws and laws relating to endangered species and hazardous materials) and fiscal policies; (iii) natural disasters (including, without limitation, earthquakes, wildfires and floods), which may result in uninsured losses; (iv) adverse changes in local market conditions; and (v) increased delinquencies due to rising mortgage costs and other factors.

Risks Related to Current Market Conditions

The housing market in southern California experienced significant price appreciation and accelerating demand from approximately 2002 to 2006 but subsequently the housing market weakened substantially, with changes from the prior pattern of price appreciation and a slowdown in demand for new housing and declining prices. Beginning in 2007, home developers, appraisers and market absorption consultants have reported weak housing market conditions due to factors including but not limited to the following: (i) lower demand for new homes; (ii) significant increase in cancellation rates for homes under contract; (iii) the exit of speculators from the new home market; (iv) increasing mortgage defaults and foreclosures, (v) a growing supply of new and existing homes available for purchase; (vi) increase in competition for new homes orders; (vii) prospective home buyers having a more difficult time selling their existing homes in the more competitive environment; (viii) reduced sales prices and/or higher incentives required to stimulate new home orders or to induce home buyers not to cancel purchase contracts, (ix) more stringent credit qualification requirements by home loan providers and (x) increased unemployment levels. One or more of these factors may negatively impact home values in the Community Facilities District and affect the willingness or ability of taxpayers to pay their Special Taxes when due.

Economic Uncertainty

The Series 2012 Bonds are being issued at a time of economic uncertainty and volatility. Unemployment rates are approximately 11.8% for the County as of May 2012 (not seasonally adjusted) as compared to approximately 13.6% for calendar year 2011 (not seasonally adjusted) and are approximately 10.4% (not seasonally adjusted) for the State as of May 2012 as compared to approximately 11.7% for calendar year 2011 (not seasonally adjusted). The Community Facilities District cannot predict how long these conditions will last or whether to what extent they may affect the ability of homeowners to pay Special Taxes or the marketability of the Series 2012 Bonds.

Limited Obligations

The Series 2012 Bonds and interest thereon are not payable from the general funds of the County. Except with respect to the Special Taxes, neither the credit nor the taxing power of the Community Facilities District or the County is pledged for the payment of the Series 2012 Bonds or the interest thereon, and, except as provided in the Indenture, no Owner of the Series 2012 Bonds may compel the exercise of any taxing power by the Community Facilities District or the County or force the forfeiture of any County or Community Facilities District property. The principal of, premium, if any, and interest on the Series 2012 Bonds are not a debt of the County or a legal or equitable pledge, charge, lien or encumbrance upon any of the County's or the Community Facilities District's property or upon any of the County's or the Community Facilities District's income, receipts or revenues, except the Special Taxes and other amounts pledged under the Indenture.

Insufficiency of Special Taxes

The principal source of payment of principal of and interest on the Series 2012 Bonds is the proceeds of the annual levy and collection of the Special Tax against property within the Community Facilities District. The annual levy of the Special Tax is subject to the maximum tax rates authorized. The levy cannot be made at a higher rate even if the failure to do so means that the estimated proceeds of the levy and collection of the Special Tax, together with other available funds, will not be sufficient to pay debt service on the Series 2012 Bonds. Other funds which might be available include funds derived from the payment of penalties on delinquent Special Taxes and funds derived from the tax sale or foreclosure and sale of parcels on which levies of the Special Tax are delinquent.

The levy of the Special Tax will rarely, if ever, result in a uniform relationship between the value of particular Taxable Property and the amount of the levy of the Special Tax against such parcels. Thus, there will rarely, if ever, be a uniform relationship between the value of such parcels and the proportionate share of debt service on the Series 2012 Bonds, and certainly not a direct relationship.

The Special Tax levied in any particular tax year on a Taxable Property is based upon the revenue needs and application of the Rate and Method. Application of the Rate and Method will, in turn, be dependent upon certain development factors with respect to each Taxable Property by comparison with similar development factors with respect to the other Taxable Property within the Community Facilities District. Thus, in addition to annual variations of the revenue needs from the Special Tax, the following are some of the factors which might cause the levy of the Special Tax on any particular Taxable Property to vary from the Special Tax that might otherwise be expected:

- (1) Failure of the owners of Taxable Property to pay the Special Tax and delays in the collection of or inability to collect the Special Tax by tax sale or foreclosure and sale of the delinquent parcels, thereby resulting in an increased tax burden on the remaining parcels of Taxable Property.
- (2) Reduction in the amount of Taxable Property, for such reasons as acquisition of Taxable Property by a government and failure of the government to pay the Special Tax based upon a claim of exemption or, in the case of the federal government or an agency thereof, immunity from taxation, thereby resulting in an increased tax burden on the remaining parcels of Taxable Property.

Except as set forth above under "SECURITY FOR THE SERIES 2012 BONDS — Special Taxes" and " — Rate and Method" herein, the Indenture provides that the Special Tax is to be collected in the same manner as ordinary *ad valorem* property taxes are collected and, except as provided in the special covenant for foreclosure described in "SECURITY FOR THE SERIES 2012 BONDS — Special Taxes — *Proceeds of Foreclosure Sales*" and in the Act, is subject to the same penalties and the same procedure, sale and lien priority in case of delinquency as is provided for *ad valorem* property taxes. Pursuant to these procedures, if taxes are unpaid for a period of five years or more, the property is subject to sale by the County.

In the event that sales or foreclosures of property are necessary, there could be a delay in payments to owners of the Series 2012 Bonds pending such sales or the prosecution of foreclosure proceedings and receipt by the Community Facilities District of the proceeds of sale if the Reserve Fund is depleted. See “SECURITY FOR THE SERIES 2012 BONDS — Special Taxes — *Proceeds of Foreclosure Sales*.”

In addition, the Rate and Method limits the increase of Special Taxes levied on parcels of Developed Property to cure delinquencies of other property owners in the Community Facilities District. See “SECURITY FOR THE SERIES 2012 BONDS — Special Taxes — *Rate and Method of Apportionment*” herein.

Depletion of Reserve Fund

The Reserve Fund is maintained in an amount equal to the Reserve Requirement. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2012 BONDS — Reserve Fund.” Funds in a Reserve Fund may be used to pay principal of and interest on the Series 2012 Bonds in the event the proceeds of the levy and the collection of the Special Taxes against the property in the Community Facilities District is not sufficient. If the Reserve Fund is depleted, the funds can be replenished from the proceeds of the levy and collection of the Special Tax that are in excess of the amount required to pay Administrative Expenses and principal and interest on the Series 2012 Bonds. However, no replenishment of the Reserve Fund from the proceeds of the Special Taxes can occur as long as the proceeds that are collected from the levy of the Special Taxes at the maximum tax rates, together with available funds, remain insufficient to pay all such amounts. Thus, it is possible that the Reserve Fund will be depleted and not replenished by the levy of the Special Taxes.

Natural Disasters

The Community Facilities District, like all California communities, may be subject to unpredictable seismic activity, fires, flood, or other natural disasters. Southern California is a seismically active area. Seismic activity, wildfires and other natural disasters represents a potential risk for damage to buildings, roads, bridges and property within the Community Facilities District. In addition, land susceptible to seismic activity may be subject to liquefaction during the occurrence of such event. According to records available from the State of California Department of Conservation and the United States Geological Service, the property within the Community Facilities District is not within an Alquist-Priolo Earthquake Fault Zone. However, Southern California is a seismically active area and the land within the Community Facilities District will likely be subject to seismic shaking at some time in the future.

No assurance can be given regarding the extent to which any future natural disasters may impact property in the Community Facilities District.

In the event of a severe earthquake, fire, flood or other natural disaster, there may be significant damage to both property and infrastructure in the Community Facilities District. As a result, a substantial portion of the property owners may be unable or unwilling to pay the Special Taxes when due. In addition, the value of land in the Community Facilities District could be diminished in the aftermath of such a natural disaster, reducing the resulting proceeds of foreclosure sales in the event of delinquencies in the payment of the Special Taxes.

Hazardous Substances

The presence of hazardous substances on a parcel may result in a reduction in the value of a parcel. In general, the owners and operators of a parcel may be required by law to remedy conditions of the parcel relating to releases or threatened releases of hazardous substances. The Federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as “CERCLA” or the “Superfund Act,” is the most well-known and widely applicable of these laws, but California laws with regard to hazardous substances are also stringent and similar. Under many of these laws, the owner or operator

is obligated to remedy a hazardous substance condition of property whether or not the owner or operator has anything to do with creating or handling the hazardous substance. The effect, therefore, should any of the taxed parcels be affected by a hazardous substance, is to reduce the marketability and value of the parcel by the costs of remedying the condition, because the purchaser, upon becoming owner, will become obligated to remedy the condition just as is the seller.

Further, it is possible that liabilities may arise in the future with respect to any of the parcels resulting from the existence, currently, on the parcel of a substance presently classified as hazardous but which has not been released or the release of which is not presently threatened, or may arise in the future resulting from the existence, currently on the parcel of a substance not presently classified as hazardous but which may in the future be so classified. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling it. All of these possibilities could significantly affect the value of a parcel that is realizable upon a delinquency.

Parity Taxes and Special Assessments

Property within the Community Facilities District is subject to taxes and assessments imposed by public agencies also having jurisdiction over the land within the Community Facilities District. See “THE COMMUNITY FACILITIES DISTRICT — Estimated Direct and Overlapping Indebtedness.”

The Special Taxes and any penalties thereon will constitute a lien against the lots and parcels of land on which they will be annually imposed until they are paid. Such lien is on a parity with all special taxes and special assessments levied by the County and other agencies and is co-equal to and independent of the lien for general property taxes regardless of when they are imposed upon the same property. The Special Taxes have priority over all existing and future private liens imposed on the property except, possibly, for liens or security interests held by the Federal Deposit Insurance Corporation. See “SPECIAL RISK FACTORS — Bankruptcy and Foreclosure” below.

Neither the County nor the Community Facilities District has control over the ability of other entities and districts to issue indebtedness secured by special taxes, *ad valorem* taxes or assessments payable from all or a portion of the property within the Community Facilities District. In addition, the landowners within the Community Facilities District may, without the consent or knowledge of the County, petition other public agencies to issue public indebtedness secured by special taxes, *ad valorem* taxes or assessments. Any such special taxes, *ad valorem* taxes or assessments may have a lien on such property on a parity with the Special Taxes and could reduce the estimated value-to-lien ratios for property within the Community Facilities District described herein.

Disclosures to Future Purchasers

The willingness or ability of an owner of a parcel to pay the Special Tax, even if the value of the parcel is sufficient, may be affected by whether or not the owner was given due notice of the Special Tax authorization at the time the owner purchased the parcel, was informed of the amount of the Special Tax on the parcel should the Special Tax be levied at the maximum tax rate and the risk of such a levy, and, at the time of such a levy, has the ability to pay it as well as pay other expenses and obligations. The County has caused a Notice of Special Tax Lien to be recorded in the Office of the Recorder for the County against each parcel. While title companies normally refer to such notices in title reports, there can be no guarantee that such reference will be made or, if made, that a prospective purchaser or lender will consider such Special Tax obligation in the purchase of a property within the Community Facilities District or lending of money thereon.

The Act requires the subdivider (or its agent or representative) of a subdivision to notify a prospective purchaser or long-term lessor of any lot, parcel, or unit subject to a Mello-Roos special tax of the existence and maximum amount of such special tax using a statutorily prescribed form. California Civil Code Section 1102.6b requires that in the case of transfers other than those covered by the above requirement, the

seller must at least make a good faith effort to notify the prospective purchaser of the special tax lien in a format prescribed by statute. Failure by an owner of the property to comply with the above requirements, or failure by a purchaser or lessor to consider or understand the nature and existence of the Special Tax, could adversely affect the willingness and ability of the purchaser or lessor to pay the Special Tax when due.

Special Tax Delinquencies

Under provisions of the Act, the Special Taxes, from which funds necessary for the payment of principal of, and interest on, the Series 2012 Bonds are derived, are customarily billed to the properties within the Community Facilities District on the *ad valorem* property tax bills sent to owners of such properties. The Act currently provides that such Special Tax installments are due and payable, and bear the same penalties and interest for non-payment, as do *ad valorem* property tax installments.

See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2012 BONDS — Special Taxes — *Proceeds of Foreclosure Sales*,” for a discussion of the provisions which apply, and procedures which the Community Facilities District is obligated to follow under the Indenture, in the event of delinquencies in the payment of Special Taxes. See “SPECIAL RISK FACTORS — Bankruptcy and Foreclosure” below, for a discussion of the policy of the Federal Deposit Insurance Corporation regarding the payment of special taxes and assessments and limitations on the Community Facilities District’s ability to foreclose on the lien of the Special Taxes in certain circumstances.

Non-Cash Payments of Special Taxes

Under the Act, the Board of Supervisors of the County as the legislative body of the Community Facilities District may reserve to itself the right and authority to allow the owner of any taxable parcel to tender a Series 2012 Bond in full or partial payment of any installment of the Special Taxes or the interest or penalties thereon. A Series 2012 Bond so tendered is to be accepted at par and credit is to be given for any interest accrued thereon to the date of the tender. Thus, if Series 2012 Bonds can be purchased in the secondary market at a discount, it may be to the advantage of an owner of a taxable parcel to pay the Special Taxes applicable thereto by tendering a Series 2012 Bond. Such a practice would decrease the cash flow available to the Community Facilities District to make payments with respect to other Series 2012 Bonds then outstanding; and, unless the practice was limited by the Community Facilities District, the Special Taxes paid in cash could be insufficient to pay the debt service due with respect to such other Series 2012 Bonds. In order to provide some protection against the potential adverse impact on cash flows which might be caused by the tender of Series 2012 Bonds in payment of Special Taxes, the Indenture includes a covenant pursuant to which the Community Facilities District will not authorize owners of taxable parcels to satisfy Special Tax obligations by the tender of Series 2012 Bonds unless the Community Facilities District shall have first obtained a report of an Independent Financial Consultant certifying that doing so would not result in the Community Facilities District having insufficient Special Tax revenues to pay the principal of and interest on all Outstanding Series 2012 Bonds when due.

Payment of the Special Tax is not a Personal Obligation of the Owners

An owner of a taxable parcel is not personally obligated to pay the Special Tax. Rather, the Special Tax is an obligation which is secured only by a lien against the taxable parcel. If the value of a taxable parcel is not sufficient, taking into account other liens imposed by public agencies, to secure fully the Special Tax, the Community Facilities District has no recourse against the owner.

Property Values; Value-to-Lien Ratios

The value of the property within the Community Facilities District is a critical factor in determining the investment quality of the Series 2012 Bonds. If a property owner is delinquent in the payment of Special Taxes, the Community Facilities District’s only remedy is to commence foreclosure proceedings against the

delinquent parcel in an attempt to obtain funds to pay the Special Taxes. Reductions in property values due to a downturn in the economy, physical events such as earthquakes, fires or floods, stricter land use regulations, delays in development or other events may adversely impact the security underlying the Special Taxes. Although there has been no significant decline in assessed property values in the Community Facilities District during the downturn in the real estate market that began in 2007, there is no assurance that assessed values will not decline in the future. See “THE COMMUNITY FACILITIES DISTRICT — Estimated Assessed Value-to-Lien Ratios” herein.

The assessed values set forth in this Official Statement do not represent market values arrived at through an appraisal process and generally reflect only the sales price of a parcel when acquired by its current owner, adjusted annually by an amount determined by the Riverside County Assessor, generally not to exceed an increase of more than 2% per fiscal year. No assurance can be given that a parcel could actually be sold for its assessed value.

No assurance can be given that the estimated value-to-lien ratios as set forth in Table 7 will be maintained over time. As discussed herein, many factors which are beyond the control of the Community Facilities District could adversely affect the property values within the Community Facilities District. The Community Facilities District does not have any control over the amount of additional indebtedness that may be issued by other public agencies, the payment of which through the levy of a tax or an assessment is on a parity with the Special Taxes. A decrease in the assessed values in the Community Facilities District or an increase in the indebtedness secured by taxes and amounts with parity liens on property in the Community Facilities District, or both, could result in a lowering of the value-to-lien ratio of the property in the Community Facilities District.

No assurance can be given that any bid will be received for a parcel with delinquent Special Taxes offered for sale at foreclosure or, if a bid is received, that such bid will be sufficient to pay all delinquent Special Taxes. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2012 BONDS — Special Tax — *Proceeds of Foreclosure Sales.*”

FDIC/Federal Government Interests in Properties

The ability of the Community Facilities District to collect interest and penalties specified by the Act and to foreclose the lien of delinquent Special Taxes may be limited in certain respects with regard to parcels in which the FDIC, or other federal government entities such as Fannie Mae, Freddie Mac, the Drug Enforcement Agency, the Internal Revenue Service or other federal agency, has or obtains an interest.

In the case of FDIC, in the event that any financial institution making a loan which is secured by parcels is taken over by the FDIC and the applicable Special Tax is not paid, the remedies available to the Community Facilities District may be constrained. The FDIC’s policy statement regarding the payment of state and local real property taxes (the “Policy Statement”) provides that taxes other than *ad valorem* taxes which are secured by a valid lien in effect before the FDIC acquired an interest in a property will be paid unless the FDIC determines that abandonment of its interests is appropriate. The Policy Statement provides that the FDIC generally will not pay installments of non-*ad valorem* taxes which are levied after the time the FDIC acquires its fee interest, nor will the FDIC recognize the validity of any lien to secure payment except in certain cases where the Resolution Trust Corporation had an interest in property on or prior to December 31, 1995. Moreover, the Policy Statement provides that, with respect to parcels on which the FDIC holds a mortgage lien, the FDIC will not permit its lien to be foreclosed out by a taxing authority without its specific consent, nor will the FDIC pay or recognize liens for any penalties, fines or similar claims imposed for the non-payment of taxes.

The FDIC has taken a position similar to that expressed in the Policy Statement in legal proceedings brought against Orange County in United States Bankruptcy Court and in Federal District Court. The Bankruptcy Court issued a ruling in favor of the FDIC on certain of such claims. Orange County appealed that

ruling, and the FDIC cross-appealed. On August 28, 2001, the Ninth Circuit Court of Appeals issued a ruling favorable to the FDIC except with respect to the payment of pre-receivership liens based upon delinquent property tax.

The Community Facilities District is unable to predict what effect the application of the Policy Statement would have in the event of a delinquency with respect to parcels in which the FDIC has or obtains an interest, although prohibiting the lien of the FDIC to be foreclosed out at a judicial foreclosure sale would prevent or delay the foreclosure sale.

In the case of Fannie Mae and Freddie Mac, in the event a parcel of taxable property is owned by a federal government entity or federal government sponsored entity, such as Fannie Mae or Freddie Mac, or a private deed of trust secured by a parcel of taxable property is owned by a federal government entity or federal government sponsored entity, such as Fannie Mae or Freddie Mac, the ability to foreclose on the parcel or to collect delinquent Special Taxes may be limited. Federal courts have held that, based on the supremacy clause of the United States Constitution “this Constitution, and the Laws of the United States which shall be made in Pursuance thereof; and all Treaties made, or which shall be made, under the Authority of the United States, shall be the supreme Law of the Land; and the Judges in every State shall be bound thereby, anything in the Constitution or Laws of any State to the contrary notwithstanding.” In the absence of Congressional intent to the contrary, a state or local agency cannot foreclose to collect delinquent taxes or assessments if foreclosure would impair the federal government interest. This means that, unless Congress has otherwise provided, if a federal government entity owns a parcel of taxable property but does not pay taxes and assessments levied on the parcel (including Special Taxes), the applicable state and local governments cannot foreclose on the parcel to collect the delinquent taxes and assessments.

Moreover, unless Congress has otherwise provided, if the federal government has a mortgage interest in the parcel and the Community Facilities District wishes to foreclose on the parcel as a result of delinquent Special Taxes, the property cannot be sold at a foreclosure sale unless it can be sold for an amount sufficient to pay delinquent taxes and assessments on a parity with the Special Taxes and preserve the federal government’s mortgage interest. For a discussion of risks associated with taxable parcels within the Community Facilities District becoming owned by the federal government, federal government entities or federal government sponsored entities, see “— Insufficiency of Special Taxes.”

The Community Facilities District’s remedies may also be limited in the case of delinquent Special Taxes with respect to parcels in which other federal agencies (such as the Internal Revenue Service and the Drug Enforcement Administration) have or obtain an interest.

Bankruptcy and Foreclosure

Bankruptcy, insolvency and other laws generally affecting creditors rights could adversely impact the interests of Beneficial Owners of the Series 2012 Bonds. The payment of property owners’ taxes and the ability of the Community Facilities District to foreclose the lien of a delinquent unpaid Special Tax pursuant to its covenant to pursue judicial foreclosure proceedings may be limited by bankruptcy, insolvency or other laws generally affecting creditors’ rights or by the laws of the State relating to judicial foreclosure. See “SECURITY AND SOURCES OF PAYMENT FOR THE SERIES 2012 BONDS — Special Taxes — *Proceeds of Foreclosure Sales.*” In addition, the prosecution of a foreclosure could be delayed due to many reasons, including crowded local court calendars or lengthy procedural delays.

Although a bankruptcy proceeding would not cause the Special Taxes to become extinguished, the amount of any Special Tax lien could be modified if the value of the property falls below the value of the lien. If the value of the property is less than the lien, such excess amount could be treated as an unsecured claim by the bankruptcy court. In addition, bankruptcy of a property owner could result in a delay in prosecuting Superior Court foreclosure proceedings. Such delay would increase the likelihood of a delay or default in

payment of delinquent Special Tax installments and the possibility of delinquent Special Tax installments not being paid in full.

On July 30, 1992, the United States Court of Appeals for the Ninth Circuit issued its opinion in a bankruptcy case entitled In re Glasply Marine Industries. In that case, the court held that *ad valorem* property taxes levied by Snohomish County in the State of Washington after the date that the property owner filed a petition for bankruptcy were not entitled to priority over a secured creditor with a prior lien on the property. Although the court upheld the priority of unpaid taxes imposed before the bankruptcy petition, unpaid taxes imposed after the filing of the bankruptcy petition were declared to be “administrative expenses” of the bankruptcy estate, payable after all secured creditors. As a result, the secured creditor was able to foreclose on the property and retain all the proceeds of the sale except the amount of the pre-petition taxes.

The Bankruptcy Reform Act of 1994 (the “Bankruptcy Reform Act”) included a provision which excepts from the Bankruptcy Code’s automatic stay provisions, “the creation of a statutory lien for an *ad valorem* property tax imposed by . . . a political subdivision of a state if such tax comes due after the filing of the petition [by a debtor in bankruptcy court].” This amendment effectively makes the Glasply holding inoperative as it relates to *ad valorem* real property taxes. However, it is possible that the original rationale of the Glasply ruling could still result in the treatment of post-petition special taxes as “administrative expenses,” rather than as tax liens secured by real property, at least during the pendency of bankruptcy proceedings.

According to the court’s ruling, as administrative expenses, post petition taxes would be paid, assuming that the debtor had sufficient assets to do so. In certain circumstances, payment of such administrative expenses may be allowed to be deferred. Once the property is transferred out of the bankruptcy estate (through foreclosure or otherwise), it would at that time become subject to current *ad valorem* taxes.

The Act provides that the Special Taxes are secured by a continuing lien which is subject to the same lien priority in the case of delinquency as *ad valorem* taxes. No case law exists with respect to how a bankruptcy court would treat the lien for Special Taxes levied after the filing of a petition in bankruptcy. Glasply is controlling precedent on bankruptcy courts in the State. If the Glasply precedent was applied to the levy of the Special Taxes, the amount of Special Taxes received from parcels whose owners declare bankruptcy could be reduced.

The various legal opinions to be delivered concurrently with the delivery of the Series 2012 Bonds (including Bond Counsel’s approving legal opinion) will be qualified, as to the enforceability of the various legal instruments, by moratorium, bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors generally.

Moreover, the ability of the Community Facilities District to commence and prosecute enforcement proceedings may be limited by bankruptcy, insolvency and other laws generally affecting creditors’ rights (such as the Soldiers’ and Sailors’ Relief Act of 1940) and by the laws of the State relating to judicial foreclosure.

No Acceleration Provision

The Series 2012 Bonds do not contain a provision allowing for the acceleration of the Series 2012 Bonds in the event of a payment default or other default under the Series 2012 Bonds or the Indenture.

Loss of Tax Exemption

As discussed under the caption “LEGAL MATTERS — Tax Exemption,” the interest on the Series 2012 Bonds could become includable in gross income for federal income tax purposes retroactive to the date of issuance of the Series 2012 Bonds as a result of a failure of the Community Facilities District to comply with certain provisions of the Internal Revenue Code of 1986, as amended, or a change in legislation. Should such

an event of taxability occur, the Series 2012 Bonds are not subject to early redemption and will remain outstanding to maturity or until redeemed under the redemption provisions of the Indenture.

Limitations on Remedies

Remedies available to the Beneficial Owners of the Series 2012 Bonds may be limited by a variety of factors and may be inadequate to assure the timely payment of principal of and interest on the Series 2012 Bonds or to preserve the tax-exempt status of the Series 2012 Bonds.

Bond Counsel has limited its opinion as to the enforceability of the Series 2012 Bonds and of the Indenture to the extent that enforceability may be limited by bankruptcy, insolvency, reorganization, fraudulent conveyance or transfer, moratorium, or other similar laws affecting generally the enforcement of creditors' rights, by equitable principles and by the exercise of judicial discretion. The lack of availability of certain remedies or the limitation of remedies may entail risks of delay, limitation or modification of the rights of the Beneficial Owners of the Series 2012 Bonds.

Limited Secondary Market

There can be no guarantee that there will be a secondary market for the Series 2012 Bonds or, if a secondary market exists, that the Series 2012 Bonds can be sold at all or for any particular price. Although the Community Facilities District has committed to provide certain financial and operating information on an annual basis, there can be no assurance that such information will be available to Beneficial Owners on a timely basis. See "CONTINUING DISCLOSURE." The failure to provide the required annual financial information does not give rise to monetary damages but merely an action for specific performance. Occasionally, because of general market conditions, lack of current information, or because of adverse history or economic prospects connected with a particular issue, secondary marketing practices in connection with a particular issue are suspended or terminated. Additionally, prices of issues for which a market is being made will depend upon then prevailing circumstances. Such prices could be substantially different from the original purchase price.

Proposition 218

An initiative measure commonly referred to as the "Right to Vote on Taxes Act" (the "Initiative") was approved by the voters of the State of California at the November 5, 1996 general election. The Initiative added Article XIII C and Article XIII D to the California Constitution. According to the "Title and Summary" of the Initiative prepared by the California Attorney General, the Initiative limits "the authority of local governments to impose taxes and property-related assessments, fees and charges." The provisions of the Initiative have not yet been interpreted by the courts, although several lawsuits have been filed requesting the courts to interpret various aspects of the Initiative. The Initiative could potentially impact the Special Taxes available to the Community Facilities District to pay the principal of and interest on the Series 2012 Bonds as described below.

Among other things, Section 3 of Article XIII states that ". . . the initiative power shall not be prohibited or otherwise limited in matters of reducing or repealing any local tax, assessment, fee or charge." The Act provides for a procedure which includes notice, hearing, protest and voting requirements to alter the rate and method of apportionment of an existing special tax. However, the Act prohibits a legislative body from adopting any resolution to reduce the rate of any special tax or terminate the levy of any special tax pledged to repay any debt incurred pursuant to the Act unless such legislative body determines that the reduction or termination of the special tax would not interfere with the timely retirement of that debt. On July 1, 1997, a bill was signed into law by the Governor of the State enacting Government Code Section 5854, which states that:

“Section 3 of Article XIII C of the California Constitution, as adopted at the November 5, 1996, general election, shall not be construed to mean that any owner or beneficial owner of a municipal security, purchased before or after that date, assumes the risk of, or in any way consents to, any action by initiative measure that constitutes an impairment of contractual rights protected by Section 10 of Article I of the United States Constitution.”

Accordingly, although the matter is not free from doubt, it is likely that the Initiative has not conferred on the voters the power to repeal or reduce the Special Taxes if such reduction would interfere with the timely retirement of the Series 2012 Bonds.

It may be possible, however, for voters or the Board of Supervisors of the County acting as the legislative body of the Community Facilities District to reduce the Special Taxes in a manner which does not interfere with the timely repayment of the Series 2012 Bonds, but which does reduce the maximum amount of Special Taxes that may be levied in any year below the existing levels. Furthermore, no assurance can be given with respect to the future levy of the Special Taxes in amounts greater than the amount necessary for the timely retirement of the Series 2012 Bonds. Therefore, no assurance can be given with respect to the levy of Special Taxes for Administrative Expenses. Nevertheless, to the maximum extent that the law permits it to do so, the Community Facilities District will covenant in the Indenture that it will not initiate proceedings under the Act to modify the Rate and Method if such modification would adversely affect the security for the Series 2012 Bonds. The Community Facilities District also will covenant in the Indenture that, if an initiative is adopted that purports to modify the Rate and Method in a manner that would adversely affect the security for the Series 2012 Bonds, the Community Facilities District will, to the extent permitted by law, commence and pursue reasonable legal actions to prevent the modification of the Rate and Method in a manner that would adversely affect the security for the Series 2012 Bonds. However, no assurance can be given as to the enforceability of the foregoing covenants.

The interpretation and application of the Initiative will ultimately be determined by the courts with respect to a number of the matters discussed above, and it is not possible at this time to predict with certainty the outcome of such determination or the timeliness of any remedy afforded by the courts. See “SPECIAL RISK FACTORS — Limitations on Remedies.”

Ballot Initiatives

Articles XIII C and XIII D were adopted pursuant to measures qualified for the ballot pursuant to California’s constitutional initiative process. On March 6, 1995, in the case of *Rossi v. Brown*, the State Supreme Court held that an initiative can repeal a tax ordinance and prohibit the imposition of further such taxes and that the exemption from the referendum requirements does not apply to initiatives. From time to time, other initiative measures could be adopted by California voters. The adoption of any such initiative might place limitations on the ability of the State, the County, or local districts to increase revenues or to increase appropriations or on the ability of the landowners within the Community Facilities District to complete the remaining proposed development.

CONTINUING DISCLOSURE

Pursuant to a Continuing Disclosure Agreement (the “Continuing Disclosure Agreement”), by and between the Community Facilities District and the Trustee, the Community Facilities District will agree to provide, or cause to be provided, to the Municipal Securities Rulemaking Board through its Electronic Municipal Market Access (EMMA) website, or other repository authorized under Rule 15c2-12(b)(5) adopted by the Securities and Exchange Commission, certain annual financial information and operating data concerning the Community Facilities District. The Annual Report to be filed by the Community Facilities District is to be filed not later than April 1 of each year, beginning April 1, 2013, and is to include audited financial statements of the Community Facilities District, if any. The full text of the Continuing Disclosure

Agreement is set forth in APPENDIX D — “FORM OF CONTINUING DISCLOSURE AGREEMENT OF THE COMMUNITY FACILITIES DISTRICT.”

Notwithstanding any provision of the Indenture, failure of the Community Facilities District to comply with the Continuing Disclosure Agreement shall not be considered an event of default under the Indenture. However, any holder of the Series 2012 Bonds may take such action as is necessary and appropriate, including seeking mandate or a judgment for specific performance, to cause the Community Facilities District to comply with its obligations with respect to the Continuing Disclosure Agreement.

During the last five calendar years the Community Facilities District has not failed to comply in all material respects with its previous undertakings with regard to Rule 15c2-12.

LEGAL MATTERS

Tax Exemption

In the opinion of Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Community Facilities District (“Bond Counsel”), based upon an analysis of existing laws, regulations, rulings and court decisions, and assuming, among other matters, the accuracy of certain representations and compliance with certain covenants, interest on the Series 2012 Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 (the “Code”) and is exempt from State of California personal income taxes. In the further opinion of Bond Counsel, interest on the Series 2012 Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although Bond Counsel observes that such interest is included in adjusted current earnings when calculating corporate alternative minimum taxable income. A complete copy of the proposed form of opinion of Bond Counsel is set forth in Appendix D hereto.

To the extent the issue price of any maturity of the Series 2012 Bonds is less than the amount to be paid at maturity of such Series 2012 Bonds (excluding amounts stated to be interest and payable at least annually over the term of such Series 2012 Bonds), the difference constitutes “original issue discount,” the accrual of which, to the extent properly allocable to each beneficial owner thereof, is treated as interest on the Series 2012 Bonds which is excluded from gross income for federal income tax purposes and exempt from State of California personal income taxes. For this purpose, the issue price of a particular maturity of the Series 2012 Bonds is the first price at which a substantial amount of such maturity of the Series 2012 Bonds is sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers). The original issue discount with respect to any maturity of the Series 2012 Bonds accrues daily over the term to maturity of such Series 2012 Bonds on the basis of a constant interest rate compounded semiannually (with straight-line interpolations between compounding dates). The accruing original issue discount is added to the adjusted basis of such Series 2012 Bonds to determine taxable gain or loss upon disposition (including sale, redemption, or payment on maturity) of such Series 2012 Bonds. Beneficial owners of the Series 2012 Bonds should consult their own tax advisors with respect to the tax consequences of ownership of Series 2012 Bonds with original issue discount, including the treatment of beneficial owners who do not purchase such Series 2012 Bonds in the original offering to the public at the first price at which a substantial amount of such Series 2012 Bonds is sold to the public.

Series 2012 Bonds purchased, whether at original issuance or otherwise, for an amount higher than their principal amount payable at maturity (or, in some cases, at their earlier call date) (“Premium Bonds”) will be treated as having amortizable bond premium. No deduction is allowable for the amortizable bond premium in the case of obligations, like the Premium Bonds, the interest on which is excluded from gross income for federal income tax purposes. However, the amount of tax-exempt interest received, and a beneficial owner’s basis in a Premium Bond, will be reduced by the amount of amortizable bond premium properly allocable to such beneficial owner. Beneficial owners of Premium Bonds should consult their own tax advisors with respect to the proper treatment of amortizable bond premium in their particular circumstances.

The Code imposes various restrictions, conditions and requirements relating to the exclusion from gross income for federal income tax purposes of interest on obligations such as the Series 2012 Bonds. The Community Facilities District has made certain representations and covenanted to comply with certain restrictions, conditions and requirements designed to ensure that interest on the Series 2012 Bonds will not be included in federal gross income. Inaccuracy of these representations or failure to comply with these covenants may result in interest on the Series 2012 Bonds being included in gross income for federal income tax purposes, possibly from the date of original issuance of the Series 2012 Bonds. The opinion of Bond Counsel assumes the accuracy of these representations and compliance with these covenants. Bond Counsel has not undertaken to determine (or to inform any person) whether any actions taken (or not taken), or events occurring (or not occurring), or any other matters coming to Bond Counsel's attention after the date of issuance of the Series 2012 Bonds may adversely affect the value of, or the tax status of interest on, the Series 2012 Bonds. Accordingly, the opinion of Bond Counsel is not intended to, and may not, be relied upon in connection with any such actions, events or matters.

Although Bond Counsel is of the opinion that interest on the Series 2012 Bonds is excluded from gross income for federal income tax purposes and is exempt from State of California personal income taxes, the ownership or disposition of, or the accrual or receipt of interest on, the Series 2012 Bonds may otherwise affect a beneficial owner's federal, state or local tax liability. The nature and extent of these other tax consequences depends upon the particular tax status of the beneficial owner or the beneficial owner's other items of income or deduction. Bond Counsel expresses no opinion regarding any such other tax consequences.

Current and future legislative proposals, if enacted into law, clarification of the Code or court decisions may cause interest on the Series 2012 Bonds to be subject, directly or indirectly, to federal income taxation or to be subject to or exempted from state income taxation, or otherwise prevent beneficial owners from realizing the full current benefit of the tax status of such interest. As one example, the Obama Administration recently announced a legislative proposal which, for tax years beginning on or after January 1, 2013, generally would limit the exclusion from gross income of interest on obligations like the Series 2012 Bonds to some extent for taxpayers who are individuals and whose income is subject to higher marginal income tax rates. Other proposals have been made that could significantly reduce the benefit of, or otherwise affect, the exclusion from gross income of interest on obligations like the Series 2012 Bonds. The introduction or enactment of any such legislative proposals, clarification of the Code or court decisions may also affect, perhaps significantly, the market price for, or marketability of, the Series 2012 Bonds. Prospective purchasers of the Series 2012 Bonds should consult their own tax advisors regarding any pending or proposed federal or state tax legislation, regulations or litigation, and regarding the impact of future legislation, regulations or litigation, as to which Bond Counsel expresses no opinion.

The opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel's judgment as to the proper treatment of the Series 2012 Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service ("IRS") or the courts. Furthermore, Bond Counsel cannot give and has not given any opinion or assurance about the future activities of the Community Facilities District, or about the effect of future changes in the Code, the applicable regulations, the interpretation thereof or the enforcement thereof by the IRS. The Community Facilities District has covenanted, however, to comply with the requirements of the Code.

Bond Counsel's engagement with respect to the Series 2012 Bonds ends with the issuance of the Series 2012 Bonds, and, unless separately engaged, Bond Counsel is not obligated to defend the Community Facilities District or the Beneficial Owners regarding the tax-exempt status of the Series 2012 Bonds in the event of an audit examination by the IRS. Under current procedures, parties other than the Community Facilities District and its appointed counsel, including the beneficial owners, would have little, if any, right to participate in the audit examination process. Moreover, because achieving judicial review in connection with an audit examination of tax-exempt bonds is difficult, obtaining an independent review of IRS positions with which the Community Facilities District legitimately disagrees, may not be practicable. Any action of the IRS, including but not limited to selection of the Series 2012 Bonds for audit, or the course or result of such audit,

or an audit of bonds presenting similar tax issues may affect the market price for, or the marketability of, the Series 2012 Bonds, and may cause the Community Facilities District or the beneficial owners to incur significant expense.

The proposed form of Bond Counsel's opinion with respect to the Series 2012 Bonds is attached as APPENDIX E.

No litigation is pending or threatened concerning the validity of the Series 2012 Bonds, the pledge of Special Taxes to repay the Series 2012 Bonds, the powers or authority of the Community Facilities District with respect to the Series 2012 Bonds, or seeking to restrain or enjoin development of the land within the Community Facilities District and a certificate of the Community Facilities District to that effect will be furnished to the Underwriter at the time of the original delivery of the Series 2012 Bonds.

The purchase agreement relating to the Series 2012 Bonds provides that the Underwriter will purchase all of the Series 2012 Bonds if any are purchased. If a single Final Map is recorded for Tract No. 28815 and a single Final Map is recorded for Tract No. 28816 at the same time, both Final Maps shall be treated as a single Final Map for purposes of determining the Backup Special Tax.

Notwithstanding the foregoing, if the number of Parcels of Residential Property in a specific Final Map is subsequently changed or modified by recordation of a lot line adjustment or similar instrument, then the Backup Special Tax shall be recalculated for the area that has been changed or modified using the methodology described in the preceding paragraph.

2. Approved Property

The Maximum Special Tax for each Parcel of Approved Property expected to be classified as Residential Property pursuant to the current land use entitlements shall be the Backup Special Tax computed pursuant to Section C.1.b. The Maximum Special Tax for each Parcel of Approved Property expected to be classified as Non-Residential Property pursuant to the current land use entitlements shall be \$14,445 per Acre.

D. METHOD OF APPORTIONMENT OF THE SPECIAL TAX

Commencing with Fiscal Year 2005-2006, and for each following Fiscal Year, the Legislative Body shall determine the Special Tax Requirement and shall levy the Special Tax until the amount of Special Taxes equals the Special Tax Requirement. The Special Tax shall be levied each Fiscal Year as follows:

First: The Special Tax shall be levied Proportionately on each Parcel of Developed Property at up to 100% of the applicable Assigned Special Tax to satisfy the Special Tax Requirement;

Second: If additional monies are needed to satisfy the Special Tax Requirement after the first step has been completed, the Special Tax shall be levied Proportionately on each Parcel of Approved Property at up to 100% of the Maximum Special Tax for Approved Property;

Third: If additional monies are needed to satisfy the Special Tax Requirement after the first two steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Undeveloped Property at up to 100% of the Maximum Special Tax for Undeveloped Property;

Fourth: If additional moneys are needed to satisfy the Special Tax Requirement after the first three steps have been completed, the Special Tax to be levied on each Parcel of Developed Property whose Maximum Special Tax is derived by the application of the Backup Special Tax which shall be increased in equal percentages from the Assigned Special Tax up to the Maximum Special Tax for each such Parcel, as needed;

Fifth: If additional monies are needed to satisfy the Special Tax Requirement after the first four steps have been completed, the Special Tax shall be levied Proportionately on each Parcel of Public

Property and/or Property Owner's Association Property that is not Exempt Property pursuant to the provisions of Section E. at up to 100% of the Maximum Special Tax.

Notwithstanding the above, under no circumstances will the Special Taxes levied against any Parcel of Residential Property be increased by more than ten percent (10%) per Fiscal Year as a consequence of delinquency or default by the owner of any other Parcel within the CFD.

E. EXEMPTIONS

The Legislative Body shall not levy Special Taxes on up to 628.30 Acres of Public Property and Property Owner's Association Property. Exempt Property status will be assigned by the Administrator in the chronological order in which property becomes Public Property and Property Owner's Association Property.

After the limit of 628.30 Acres has been reached, the Maximum Special Tax obligation for any additional Public Property and/or Property Owner's Association Property shall be subject to the levy of the Special Tax as provided for in the fifth step in Section D., to the extent permitted under the Act and applicable laws. However, if 10.11 acres are dedicated for the purpose of a school site, these 10.11 Acres will be exempt in addition to the 628.30 Acres.

F. MANNER OF COLLECTION

The Special Tax shall be collected in the same manner and at the same time as ordinary *Ad valorem* property taxes and shall be subject to the same penalties, the same procedure, sale and lien priority in the case of delinquency; provided, however, that County may directly bill the Special Tax, may collect Special Taxes at a different time or in a different manner if necessary to meet its financial obligations, and may covenant to foreclose and may actually foreclose on Parcels having delinquent Special Taxes as permitted by the Act.

G. APPEALS

Any owner of a Parcel claiming that the amount or application of the Special Tax levied on the Parcel is not correct and requesting a refund may file a written notice of appeal with the Administrator after the Special Tax in dispute has been paid but, not later than 12 months after the mailing of the property tax bill on which the Special Tax appears. The Administrator shall promptly review the appeal, and if necessary, meet with the property owner, consider written and oral evidence regarding the amount of the Special Tax, convene the CFD special tax review board and decide the appeal. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any legal action by such owner.

H. PREPAYMENT OF SPECIAL TAX

The following definitions apply to Section H only:

“**CFD Public Facilities**” means either \$24,592,241 (in 2004 dollars), which shall increase by the Construction Inflation Index on July 1, 2005, and on each July 1 thereafter, or such lower number as (i) shall be determined by the Administrator as sufficient to provide the public facilities under the authorized bonding program of the CFD, or (ii) shall be determined by the Legislative Body concurrently with a covenant that it will not issue any more Bonds to be supported by Special Taxes levied under this Rate and Method of Apportionment.

“**Construction Fund**” means an account specifically identified in the Indenture to hold funds that are currently available for expenditure to acquire or construct public facilities eligible under the Act.

“Construction Inflation Index” means the annual percentage change in the Engineering News-Record Building Cost Index for the City of Los Angeles, measured as of the calendar year, which ends in the previous Fiscal Year. In the event this index ceases to be published, the Construction Inflation Index shall be another index as determined by the Administrator that is reasonably comparable to the Engineering News Record Building Cost Index for the City of Los Angeles.

“Future Facilities Costs” means the CFD Public Facilities minus public facility costs available to be funded through escrow accounts or funded by the Outstanding Bonds as defined in Section A, and minus public facility costs funded by interest earnings on the Construction Fund actually earned prior to the date of prepayment.

1. Prepayment in Full

The Maximum Special Tax obligation may only be prepaid and permanently satisfied for a Parcel of Public Property, Property Owner’s Association Property, Developed Property, Approved Property or Undeveloped Property for which a building permit has been issued. If Lot 277 of Tract 28816 has been acquired by a school district, this Parcel may be fully prepaid as if a building permit had been issued for Residential Property with Residential Floor Area of 4,201 square feet. The Maximum Special Tax obligation applicable to a Parcel may be fully prepaid and the obligation of the Parcel to pay the Special Tax permanently satisfied as described herein; provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to such Parcel at the time of prepayment. An owner of a Parcel intending to prepay the Maximum Special Tax obligation for the Parcel shall provide the Administrator with written notice of intent to prepay and within 10 business days of receipt of such notice, the Administrator shall notify such owner of the amount of the non-refundable deposit determined to cover the costs to be incurred by the CFD in calculating the Prepayment Amount (as defined below) for the Parcel. Within 15 business days of receipt of such nonrefundable deposit, the Administrator shall notify such owner of the Prepayment Amount for the Parcel.

The Prepayment Amount (defined below) shall equal the sum of the amounts as identified below (capitalized terms are defined below):

	Bond Redemption Amount
plus	Redemption Premium
plus	Future Facilities Amount
plus	Defeasance Amount
plus	Administrative Fees and Expenses
less	Reserve Fund Credit
Total:	equals Prepayment Amount

The Prepayment Amount shall be determined as of the proposed prepayment date as follows:

1. Confirm that no Special Tax delinquencies apply to such Parcel.
2. For a Parcel of Developed Property, compute the Maximum Special Tax obligation for the Parcel. For Parcels of Approved Property and Undeveloped Property, compute the Maximum Special Tax obligation for the Parcel as though it was already designated as Developed Property, based upon the building permit, which has been issued for the Parcel. For Parcels of Public Property or Property Owner’s Association Property, compute the Maximum Special Tax obligation for the Parcel.

3. Divide the Maximum Special Tax obligation derived pursuant to paragraph 2 by the total projected Maximum Special Taxes at build out of \$2,027,160, less the Maximum Special Tax obligation for any Parcels which have prepaid.
4. Multiply the quotient derived pursuant to paragraph 3 by the principal amount of the Outstanding Bonds to determine the amount of Outstanding Bonds to be redeemed with the Prepayment Amount (the “*Bond Redemption Amount*”).
5. Multiply the Bond Redemption Amount by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the “*Redemption Premium*”).
6. Determine the Future Facilities Costs.
7. Multiply the quotient derived pursuant to paragraph 3 by the amount derived pursuant to paragraph 6 to determine the amount of Future Facilities Costs for the Parcel (the “*Future Facilities Amount*”).
8. Determine the amount needed to pay interest on the Bond Redemption Amount from the first bond interest and/or principal payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds on which Bonds can be redeemed from Special Tax prepayments.
9. Determine the Special Taxes levied on the Parcel in the current Fiscal Year which have not yet been paid.
10. Determine the amount the Administrator reasonably expects to derive from the investment of the Bond Redemption Amount from the date of prepayment until the redemption date for the Outstanding Bonds to be redeemed with the Prepayment Amount.
11. Add the amounts derived pursuant to paragraphs 8 and 9 and subtract the amount derived pursuant to paragraph 10 (the “*Defeasance Amount*”).
12. Verify the administrative fees and expenses, including the cost of computing of the Prepayment Amount, the cost to invest the Prepayment Amount, the cost of redeeming the Outstanding Bonds, and the cost of recording notices to evidence the prepayment of the Maximum Special Tax obligation for the Parcel and the redemption of Outstanding Bonds (the “*Administrative Fees and Expenses*”).
13. The reserve fund credit (the “*Reserve Fund Credit*”) shall equal the lesser of: (a) the expected reduction in the reserve requirement (as defined in the Indenture), if any, associated with the redemption of Outstanding Bonds as a result of the prepayment, or (b) the amount derived by subtracting the new reserve requirement (as defined in the Indenture) in effect after the redemption of Outstanding Bonds as a result of the prepayment from the balance in the reserve fund on the prepayment date, but in no event shall such amount be less than zero.
14. The Prepayment Amount is equal to the sum of the Bond Redemption Amount, the Redemption Premium, the Future Facilities Amount, the Defeasance Amount and the Administrative Fees and Expenses, less the Reserve Fund Credit.
15. From the Prepayment Amount, the Bond Redemption Amount, the Redemption Premium, and the Defeasance Amount shall be deposited into the appropriate fund as

established under the Indenture and be used to redeem Outstanding Bonds or make debt service payments. The Future Facilities Amount shall be deposited into the Construction Fund. The Administrative Fees and Expenses shall be retained by the CFD.

The Prepayment Amount may be sufficient to redeem other than a \$5,000 increment of Bonds. In such event, the increment above \$5,000 or an integral multiple thereof will be retained in the appropriate fund established under the Indenture to be used with the next redemption from other Maximum Special Tax obligation prepayments of Outstanding Bonds or to make debt service payments.

As a result of the payment of the current Fiscal Year's Special Tax levy as determined pursuant to paragraph 9 above, the Administrator shall remove the current Fiscal Year's Special Tax levy for the prepaying Parcel from the County tax roll. With respect to any Parcel for which the Maximum Special Tax obligation is prepaid, the Legislative Body shall cause a suitable notice to be recorded in compliance with the Act, to indicate the prepayment of the Maximum Special Tax obligation and the release of the Special Tax lien for the Parcel, and the obligation of the Parcel to pay the Special Tax shall cease.

Notwithstanding the foregoing, no Special Tax prepayment shall be allowed unless the amount of Maximum Special Taxes that may be levied on all Parcels of Taxable Property after the proposed prepayment will be at least 1.1 times maximum annual debt service on the Bonds that will remain outstanding after the prepayment plus estimated annual Administrative Expenses.

2. Prepayment in Part

The Maximum Special Tax obligation on a Parcel of Developed Property may be partially prepaid in increments of \$5,000. For purposes of determining the partial prepayment amount of the provisions of Section H.1 shall be modified as provided by the following formula:

$$PP = ((PE - A) \times F) + A$$

These terms have the following meaning:

PP = Partial Prepayment

PE = the Prepayment Amount calculated according to Section H.1

F = the percent by which the owner of the Parcel(s) is partially prepaying the Maximum Special Tax obligation.

A = the Administrative Fees and Expenses determined pursuant to Section H.1

The owner of a Parcel who desires to partially prepay the Maximum Special Tax obligation for the Parcel shall notify the Administrator of (i) such owner's intent to partially prepay the Maximum Special Tax obligation, (ii) the percentage by which the Maximum Special Tax obligation shall be prepaid, and (iii) the company or agency that will be acting as the escrow agent, if any. Within 10 business days of receipt of such notice, the Administrator shall notify such owner of the amount of the non-refundable deposit determined to cover the cost to be incurred by the CFD in calculating the proper amount of a Partial Prepayment. Within 15 business days of receipt of such non-refundable deposit, the Administrator shall notify such owner of the amount of the Partial Prepayment for the Parcel. A Partial Prepayment must be made not less than 60 business days prior to any redemption date for the Outstanding Bonds to be redeemed with the proceeds of the Partial Prepayment.

With respect to any Parcel for which the Maximum Special Tax obligation is partially prepaid, the Administrator shall (i) distribute the Partial Prepayment as provided in Paragraph 13 of Section H.1, and (ii) indicate in the records of the CFD that there has been a Partial Prepayment for the Parcel and that a portion of the Maximum Special Tax obligation equal to the remaining percentage (1.00 - F) of the Maximum Special Tax obligation will continue, and the Special Tax shall continue on the Parcel pursuant to Section D.

I. TERM OF THE SPECIAL TAX

Special Taxes shall be levied for the period necessary to satisfy the Special Tax Requirement, but in no event shall it be levied after Fiscal Year 2034-2035 or the stated maturity of the Bonds, whichever is sooner.

Personal Income

Personal Income is the income that is received by all persons from all sources. It is calculated as the sum of wage and salary disbursements, supplements to wages and salaries, proprietors' income with inventory valuation and capital consumption adjustments, rental income of persons with capital consumption adjustment, personal dividend income, personal interest income, and personal current transfer receipts, less contributions for government social insurance.

The personal income of an area is the income that is received by, or on behalf of, all the individuals who live in the area; therefore, the estimates of personal income are presented by the place of residence of the income recipients.

Total personal income in Riverside County increased by 68% between 2000 and 2010. The following tables summarize personal income for Riverside County for 2000 through 2010.

Transportation

Several major freeways and highways provide access between the County and all parts of Southern California. State Route 91 extends southwest through Corona and connects with the Orange County freeway network in Fullerton. Interstate 10 traverses most of the width of the County, the western-most portion of which links up with major cities and freeways in Los Angeles County and the southern part of San Bernardino County, with the eastern part linking to the County's desert cities and Arizona. Interstate 15 and 215 extend north and then east to Las Vegas, and south to San Diego. State Route 60 provides an alternate (to Interstate 10) east-west link to Los Angeles County.

Currently, Metrolink provides commuter rail service to Los Angeles, San Bernardino and Orange Counties from several stations in the County. Transcontinental passenger rail service is provided by Amtrak with stops in Riverside and Indio. (c) The Community Facilities District and the Trustee may treat and consider the Person in whose name each Book-Entry Bond is registered in the Registration Books as the absolute Owner of such Book-Entry Bond for the purpose of payment of principal of, and premium, if any, and interest on such Bond, for the purpose of selecting any Bonds, or portions thereof, to be redeemed, for the purpose of giving notices of redemption and other matters with respect to such Book-Entry Bond, for the purpose of registering transfers with respect to such Book-Entry Bond, for the purpose of obtaining any consent or other action to be taken by Owners and for all other purposes whatsoever, and the Community Facilities District and the Trustee shall not be affected by any notice to the contrary.

(d) In the event of a redemption of all or a portion of a Book-Entry Bond, the Depository, in its discretion (i) may request the Trustee to authenticate and deliver a new Book-Entry Bond, or (ii) if the Depository is the sole Owner of such Book-Entry Bond, shall make an appropriate notation on the Book-Entry Bond indicating the date and amounts of the reduction in principal thereof resulting from such redemption, except in the case of final payment, in which case such Book-Entry Bond must be presented to the Trustee prior to payment.

(g) In the event the Community Facilities District determines that it is in the best interests of the Beneficial Owners that they be able to obtain certificated Bonds and that such Bonds should therefore be made available, and notifies the Depository and the Trustee of such determination, the Depository will notify the Participants of the availability through the Depository of certificated Bonds. In such event, the Trustee shall transfer and exchange certificated Bonds as requested by the Depository and any other Owners in appropriate amounts. In the event (i) the Depository determines not to continue to act as securities depository for Book-Entry Bonds, or (ii) the Depository shall no longer so act and gives notice to the Trustee of such determination, then the Community Facilities District shall discontinue the Book-Entry system with the Depository. If the Community Facilities District fails to identify another qualified securities depository to replace the Depository, then the Book-Entry Bonds shall no longer be restricted to being registered in the Registration Books in the name of the Nominee, but shall be registered in whatever name or names the Owners transferring or exchanging such Bonds shall designate, in accordance with the provisions of the Indenture. Whenever the Depository requests the Community Facilities District to do so, the Community Facilities District shall cooperate with the Depository in taking appropriate action after reasonable notice (i) to make available one or more separate certificates evidencing the Book-Entry Bonds to any Participant having Book-Entry Bonds credited to its account with the Depository, and (ii) to arrange for another securities depository to maintain custody of certificates evidencing the Book-Entry Bonds.

(h) Notwithstanding any other provision of the Indenture to the contrary, if the Depository is the sole Owner of the Bonds of a Series, so long as any Book-Entry Bond of such Series is registered in the name of the Nominee, all payments of principal of, and premium, if any, and interest on such Book-Entry Bond and all notices with respect to such Book-Entry Bond shall be made and given, respectively, as provided in the Letter of Representations or as otherwise instructed by the Depository.

(i) In connection with any notice or other communication to be provided to Owners pursuant to the Indenture by the Community Facilities District or the Trustee, with respect to any consent or other action to be taken by Owners of Book-Entry Bonds, the Trustee shall establish a record date for such consent or other action and give the Depository notice of such record date not less than 15 calendar days in advance of such record date to the extent possible.

If any Bond shall become mutilated, the Community Facilities District, at the expense of the Owner of said Bond, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of the same Series and maturity in a like principal amount in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of the Bond so mutilated. Every mutilated Bond so surrendered to the Trustee shall be canceled by it and delivered to, or upon the order of, the Community Facilities District. If any Bond shall be lost, destroyed or stolen, evidence of such loss, destruction or theft may be submitted to the Trustee and, if such evidence and indemnity satisfactory to the Trustee shall be given, the Community Facilities District, at the expense of the Owner, shall execute, and the Trustee shall thereupon authenticate and deliver, a new Bond of the same Series and maturity in a like aggregate principal amount in lieu of and in replacement for the Bond so lost, destroyed or stolen (or if any such Bond shall have matured or shall have been selected for redemption, instead of issuing a replacement Bond, the Trustee may pay the same without surrender thereof). The Community Facilities District may require payment by the Owner of a sum not exceeding the actual cost of preparing each replacement Bond

issued under the provisions of the Indenture summarized in this paragraph and of the expenses which may be incurred by the Community Facilities District and the Trustee. Any Bond of a Series issued under the provisions of the Indenture summarized in this paragraph in lieu of any Bond of such Series alleged to be lost, destroyed or stolen shall constitute an original additional contractual obligation on the part of the Community Facilities District whether or not the Bond so alleged to be lost, destroyed or stolen be at any time enforceable by anyone, and shall be entitled to the benefits of the Indenture with all other Bonds of such Series secured by the Indenture.

Temporary Bonds. The Bonds of a Series may be issued in temporary form exchangeable for definitive Bonds of such Series when ready for delivery. Any temporary Bonds may be printed, lithographed or typewritten, shall be of such Authorized Denominations as may be determined by the Community Facilities District, shall be in fully-registered form without coupons and may contain such reference to any of the provisions of the Indenture as may be appropriate. Every temporary Bond shall be executed by the Community Facilities District and authenticated by the Trustee upon the same conditions and in substantially the same manner as the definitive Bonds. If the Community Facilities District issues temporary Bonds of a Series it shall execute and deliver definitive Bonds of such Series as promptly thereafter as practicable, and thereupon the temporary Bonds of such Series may be surrendered, for cancellation, at the Office of the Trustee and the Trustee shall authenticate and deliver in exchange for such temporary Bonds, an equal aggregate principal amount of definitive Bonds of such Series and maturities in Authorized Denominations. Until so exchanged, the temporary Bonds of such Series shall be entitled to the same benefits under the Indenture as definitive Bonds of such Series authenticated and delivered under the Indenture.

ADDITIONAL BONDS

Conditions for the Issuance of Additional Bonds. The Community Facilities District may at any time issue one or more Series of Additional Bonds (in addition to the Series 2012 Bonds) payable from Net Special Tax Revenues as provided in the Indenture on a parity with all other Bonds theretofore issued under the Indenture, but only subject to the following conditions, which are conditions precedent to the issuance of such Additional Bonds:

- (a) upon the issuance of such Additional Bonds, no Event of Default shall have occurred and be continuing under the Indenture;
- (b) the issuance of such Additional Bonds shall have been authorized under and pursuant to the Act and under and pursuant to the Indenture and shall have been provided for by a Supplemental Indenture which shall specify the following:
 - (i) the purposes for which the proceeds of such Additional Bonds are to be applied, which purposes may only include one or more of (A) providing funds to refund any Bonds previously issued under the Indenture, (B) providing funds to pay Costs of Issuance incurred in connection with the issuance of such Additional Bonds, and (C) providing funds to make any deposit to the Reserve Fund required pursuant to paragraph (viii) below;
 - (ii) the principal amount and designation of such Series of Additional Bonds and the interest rate to be borne by each maturity of such Additional Bonds;
 - (iii) that such Additional Bonds shall be payable as to interest on the Interest Payment Dates, except that the first installment of interest may be payable on either March 1 or September 1 and shall be for a period of not longer than twelve months;
 - (iv) the date, the maturity date or dates and the dates on which mandatory sinking fund redemptions, if any, are to be made for such Additional Bonds; provided, however, that each such maturity date and date on which a mandatory sinking fund

redemption is to be made shall be a September 1 and, provided, further, that serial maturities of serial Bonds or mandatory sinking fund redemptions for term Bonds, or any combination thereof, shall be established to provide for the redemption or payment of such Additional Bonds on or before their respective maturity dates;

(v) the Authorized Denominations of such Additional Bonds;

(vi) the redemption premiums and terms, if any, for such Additional Bonds;

(vii) the form of such Additional Bonds;

(viii) the amount, if any, to be deposited from the proceeds of sale of such Additional Bonds in the Reserve Fund; provided, however, that the amount on deposit in the Reserve Fund at the time that such Additional Bonds become Outstanding shall be at least equal to the Reserve Requirement; and

(ix) such other provisions that are appropriate or necessary and are not inconsistent with the provisions of the Indenture; and

(c) Annual Debt Service in each Bond Year, calculated for all Bonds that will be Outstanding after the issuance of such Additional Bonds, will be less than or equal to Annual Debt Service in such Bond Year, calculated for all Bonds which are Outstanding immediately prior to the issuance of such Additional Bonds.

Nothing contained in the Indenture shall limit the issuance of any special tax bonds payable from Special Taxes if, after the issuance and delivery of such special tax bonds, none of the Bonds theretofore issued under the Indenture will be Outstanding.

Procedure for the Issuance of Additional Bonds. At any time after the sale of any Additional Bonds in accordance with the Act, such Additional Bonds shall be executed by the Community Facilities District for issuance under the Indenture and shall be delivered to the Trustee and thereupon shall be authenticated and delivered by the Trustee, but only upon receipt by the Trustee of the following:

(a) a certified copy of the Supplemental Indenture authorizing the issuance of such Additional Bonds;

(b) a Written Request of the Community Facilities District as to the delivery of such Additional Bonds;

(c) a Written Certificate of the Community Facilities District stating that the conditions precedent to the issuance of such Additional Bonds specified in the provisions of the Indenture as described under the caption "Additional Bonds – Conditions for the Issuance of Additional Bonds" have been satisfied;

(d) an opinion of Bond Counsel substantially to the effect that (i) the Indenture and all Supplemental Indentures have been duly authorized, executed and delivered by, and constitute the valid and binding obligations of, the Community Facilities District, enforceable in accordance with their terms (except as enforcement may be limited by bankruptcy, insolvency, reorganization, moratorium and other similar laws affecting creditors' rights and by the application of equitable principles and by the exercise of judicial discretion in appropriate cases and subject to the limitations on legal remedies against political subdivisions in the State), (ii) such Additional Bonds constitute valid and binding special obligations of the Community Facilities District and are enforceable in accordance with their terms (except as enforcement may be limited by bankruptcy, insolvency,

reorganization, moratorium and other similar laws affecting creditors' rights and by the application of equitable principles and by the exercise of judicial discretion in appropriate cases and subject to the limitations on legal remedies against political subdivisions in the State), and (iii) the issuance of such Additional Bonds, in and of itself, will not adversely affect the exclusion of interest on the Bonds Outstanding prior to the issuance of such Additional Bonds from gross income for federal income tax purposes;

(e) the proceeds of the sale of such Additional Bonds; and

(f) such further documents or money as are required by the provisions of the Indenture or by the provisions of the Supplemental Indenture authorizing the issuance of such Additional Bonds.

Additional Bonds. So long as any of the Bonds remain Outstanding, the Community Facilities District shall not issue any Additional Bonds or obligations payable from Special Tax Revenues, except pursuant to the provisions of the Indenture summarized under the caption "Additional Bonds."

SECURITY FOR BONDS; FLOW OF FUNDS; INVESTMENTS

Pledge. Subject only to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in the Indenture, in order to secure the payment of the principal of, premium, if any, and interest on the Bonds in accordance with their terms, the provisions of the Indenture and the Act, the Community Facilities District pledges to the Owners, and grants thereto a lien on and a security interest in, all of the Net Special Tax Revenues and any other amounts held in the Special Tax Fund, the Bond Fund and the Reserve Fund. Said pledge shall constitute a first lien on and security interest in such assets, which shall immediately attach to such assets and be effective, binding and enforceable against the Community Facilities District, its successors, purchasers of any of such assets, creditors and all others asserting rights therein, to the extent set forth in, and in accordance with, the Indenture, irrespective of whether those parties have notice of the pledge of, lien on and security interest in such assets and without the need for any physical delivery, recordation, filing or further act.

Special Tax Fund. (a) The Trustee shall establish and maintain a separate fund designated the "Special Tax Fund." As soon as practicable after the receipt by the Community Facilities District of any Special Tax Revenues, the Community Facilities District shall transfer such Special Tax Revenues to the Trustee for deposit in the Special Tax Fund; provided, however, that with respect to any such Special Tax Revenues that represent prepaid Special Taxes that are to be applied to the redemption of Bonds in accordance with the provisions of the Indenture, said prepaid Special Taxes shall be identified as such in a Written Certificate of the Community Facilities District delivered to the Trustee at the time such prepaid Special Taxes are transferred to the Trustee, the portion of such prepaid Special Taxes to be applied to the Redemption Price of the Bonds to be so redeemed shall be identified in such Written Certificate of the Community Facilities District and shall be deposited by the Trustee in the Redemption Fund and the portion of such prepaid Special Taxes to be applied to the payment of interest on the Bonds to be so redeemed shall be identified in such Written Certificate of the Community Facilities District and shall be deposited by the Trustee in the Bond Fund.

(b) Upon receipt of a Written Request of the Community Facilities District, the Trustee shall withdraw from the Special Tax Fund and transfer to the Administrative Expense Fund the amount specified in such Written Request of the Community Facilities District as the amount necessary to be transferred thereto in order to have sufficient amounts available therein to pay Administrative Expenses.

(c) On the Business Day immediately preceding each Interest Payment Date, after having made any requested transfer to the Administrative Expense Fund, the Trustee shall make the following transfers in the following order of priority:

(i) *Bond Fund.* The Trustee shall withdraw from the Special Tax Fund and transfer to the Bond Fund, Net Special Tax Revenues in the amount, if any, necessary to cause the amount on deposit in the Bond Fund to be equal to the principal and interest due on the Bonds on such Interest Payment Date; and

(ii) *Reserve Fund.* After having made any transfers required to be made pursuant to the preceding paragraph (i), the Trustee shall withdraw from the Special Tax Fund and transfer to the Reserve Fund, Net Special Tax Revenues in the amount, if any, necessary to cause the amount on deposit in the Reserve Fund to be equal to the Reserve Requirement.

Bond Fund. (a) The Trustee shall establish and maintain a separate fund designated the “Bond Fund.” The Trustee shall deposit in the Bond Fund from time to time the amounts required to be deposited therein pursuant to the Indenture. There shall additionally be deposited in the Bond Fund the portion, if any, of the proceeds of the sale of Additional Bonds required to be deposited therein under the Supplemental Indenture pursuant to which such Additional Bonds are issued.

(b) In the event that, on the Business Day prior to an Interest Payment Date, amounts in the Bond Fund are insufficient to pay the principal, if any, of and interest on the Bonds due and payable on such Interest Payment Date, including principal due and payable by reason of mandatory sinking fund redemption of such Bonds, the Trustee shall withdraw from the Reserve Fund, to the extent of any funds therein, the amount of such insufficiency, and shall transfer any amounts so withdrawn to the Bond Fund.

(c) On each Interest Payment Date, the Trustee shall withdraw from the Bond Fund for payment to the Owners of the Bonds the principal, if any, of and interest on the Bonds then due and payable, including principal due and payable by reason of mandatory sinking fund redemption of such Bonds.

In the event that, on an Interest Payment Date, amounts in the Bond Fund are insufficient to pay the principal, if any, of and interest on the Bonds due and payable on such Interest Payment Date, including principal due and payable by reason of mandatory sinking fund redemption of such Bonds, the Trustee shall apply available funds therein in accordance with the provisions of the Indenture summarized under the caption “Events of Default and Remedies – Application of Net Special Tax Revenues After Default.”

Redemption Fund. (a) The Trustee shall establish and maintain a special fund designated the “Redemption Fund.” As soon as practicable after the receipt by the Community Facilities District of prepaid Special Taxes, but in any event not later than ten Business Days after such receipt, the Community Facilities District shall transfer the portion of such prepaid Special Taxes to be applied to the Redemption Price of the Bonds to be redeemed from such prepaid Special Taxes to the Trustee for deposit in the Redemption Fund. The Trustee shall deposit in the Redemption Fund amounts received from the Community Facilities District in connection with the Community Facilities District’s exercise of its rights to optionally redeem Series 2012 Bonds pursuant to the Indenture and any other amounts required to be deposited therein pursuant to the Indenture or pursuant to any Supplemental Indenture.

(b) Amounts in the Redemption Fund shall be disbursed therefrom (i) to pay the Redemption Price of Series 2012 Bonds redeemed pursuant to the mandatory redemption from Special Tax Prepayments provisions of the Indenture and to pay the Redemption Price of Additional Bonds redeemed under the corresponding provisions of the Supplemental Indenture pursuant to which such Additional Bonds are issued, and (ii) to pay the Redemption Price of Series 2012 Bonds redeemed pursuant to such provisions of the Indenture and to pay the Redemption Price of Additional Bonds redeemed under the corresponding provisions of the Supplemental Indenture pursuant to which such Additional Bonds are issued.

(c) In lieu of the optional redemption of Bonds otherwise to be redeemed pursuant to the Indenture from amounts on deposit in the Redemption Fund, amounts on deposit in the Redemption Fund may, no later than 45 days prior to the date on which such Bonds are to be so redeemed, be used and withdrawn by

the Trustee, upon the Written Request of the Community Facilities District, for the purchase of such Bonds at public or private sale at a purchase price (including brokerage and other charges, but excluding accrued interest, which is payable from the Bond Fund) that shall not exceed the Redemption Price of such Bonds.

Reserve Fund. (a) The Trustee shall establish and maintain a special fund designated the “Reserve Fund.” On the Closing Date, the Trustee shall deposit in the Reserve Fund the amount specified in the Indenture. The Trustee shall deposit in the Reserve Fund from time to time the amounts required to be deposited therein pursuant to the Indenture. There shall additionally be deposited in the Reserve Fund, in connection with the issuance of Additional Bonds, the amount required to be deposited therein under the Supplemental Indenture pursuant to which such Additional Bonds are issued.

(b) Except as otherwise provided in the provisions of the Indenture summarized under this caption, all amounts deposited in the Reserve Fund shall be used and withdrawn by the Trustee solely for the purpose of (i) making transfers to the Bond Fund in accordance with the provisions of the Indenture summarized in paragraph (b) under the caption “Security for Bonds; Flow of Funds; Investments – Bond Fund” in the event of any deficiency at any time in the Bond Fund of the amount then required for payment of the principal of and interest on the Bonds, and (ii) redeeming Bonds in accordance with the provisions of the Indenture summarized under this caption.

(c) Whenever Bonds are to be redeemed pursuant to the provisions of the Indenture relating to optional redemption or mandatory redemption from Special Tax Prepayments or the corresponding provisions of a Supplemental Indenture, a proportionate share, determined as provided below, of the amount on deposit in the Reserve Fund shall, on the date on which amounts to redeem such Bonds are deposited in the Redemption Fund or otherwise deposited with the Trustee pursuant to the provisions of the Indenture as described under the caption “Defeasance – Bonds Deemed To Have Been Paid,” be transferred by the Trustee from the Reserve Fund to the Redemption Fund or to such deposit held by the Trustee and shall be applied to the redemption of said Bonds; provided, however, that such amount shall be so transferred only if and to the extent that the amount remaining on deposit in the Reserve Fund will be at least equal to the Reserve Requirement (excluding from the calculation thereof said Bonds to be redeemed). Such proportionate share shall be equal to the largest integral multiple of the minimum Authorized Denomination for said Bonds that is not larger than the amount equal to the product of (i) the amount on deposit in the Reserve Fund on the date of such transfer, times (ii) a fraction, the numerator of which is the principal amount of Bonds to be so redeemed and the denominator of which is the principal amount of Bonds to be Outstanding on the day prior to the date on which such Bonds are to be so redeemed.

(d) Whenever the balance in the Reserve Fund exceeds the amount required to redeem or pay the Outstanding Bonds, including interest accrued to the date of payment or redemption and premium, if any, due upon redemption, the Trustee shall, upon receipt of a Written Request of the Community Facilities District, transfer the amount in the Reserve Fund to the Bond Fund or Redemption Fund, as applicable, to be applied, on the next succeeding Interest Payment Date to the payment and redemption of all of the Outstanding Bonds.

(e) If as a result of the scheduled payment of principal of or interest on the Outstanding Bonds, the Reserve Requirement is reduced, the Trustee shall transfer to the Bond Fund an amount equal to the amount by which the amount on deposit in the Reserve Fund exceeds such reduced Reserve Requirement.

Rebate Fund. The Trustee shall establish and maintain a special fund designated the “Rebate Fund.” There shall be deposited in the Rebate Fund such amounts as are required to be deposited therein pursuant to the Tax Certificate, as specified in a Written Request of the Community Facilities District. All money at any time deposited in the Rebate Fund shall be held by the Trustee in trust, to the extent required to satisfy the Rebate Requirement, for payment to the United States of America. Notwithstanding defeasance of the Bonds pursuant to the provisions of the Indenture as described under the caption “Defeasance” or anything to the contrary contained in the Indenture, all amounts required to be deposited into or on deposit in the Rebate Fund shall be governed exclusively by the provisions summarized under this caption and by the Tax Certificate

(which is incorporated in the Indenture by reference). The Trustee shall be deemed conclusively to have complied with such provisions if it follows the written directions of the Community Facilities District, and shall have no liability or responsibility to enforce compliance by the Community Facilities District with the terms of the Tax Certificate. The Trustee may conclusively rely upon the Community Facilities District's determinations, calculations and certifications required by the Tax Certificate. The Trustee shall have no responsibility to independently make any calculation or determination or to review the Community Facilities District's calculations.

Any funds remaining in the Rebate Fund after payment in full of all of the Bonds and after payment of any amounts described under this caption, shall, upon receipt by the Trustee of a Written Request of the Community Facilities District, be withdrawn by the Trustee and remitted to the Community Facilities District.

On or before November 1 of each year, the Community Facilities District shall deliver to the Trustee a Written Certificate of the Community Facilities District specifying the amount of the then applicable Rebate Requirement. Any amount in the Rebate Fund in excess of the Rebate Requirement on November 1 of each year shall be withdrawn from the Rebate Fund by the Trustee and shall be deposited in the Earnings Fund.

Administrative Expense Fund. The Trustee shall establish and maintain a special fund designated the "Administrative Expense Fund." The Trustee shall deposit in the Administrative Expense Fund the amounts transferred from the Special Tax Fund and required to be deposited therein pursuant to the Indenture.

The moneys in the Administrative Expense Fund shall be used and withdrawn by the Trustee from time to time to pay the Administrative Expenses upon submission of a Written Request of the Community Facilities District stating (a) the Person to whom payment is to be made, (b) the amount to be paid, (c) the purpose for which the obligation was incurred and that such purpose constitutes an Administrative Expense, (d) that such payment is a proper charge against the Administrative Expense Fund, and (e) that such amounts have not been the subject of a prior disbursement from the Administrative Expense Fund; in each case together with a statement or invoice for each amount requested thereunder.

To the extent moneys are not otherwise available therefor in the Earnings Fund, amounts in the Administrative Expense Fund shall, at the Written Request of the Community Facilities District, be transferred by the Trustee to the Rebate Fund.

Costs of Issuance Fund. (a) The Trustee shall establish and maintain a separate fund designated the "Costs of Issuance Fund." On the Closing Date, the Trustee shall deposit in the Costs of Issuance Fund the amount required to be deposited therein pursuant to the Indenture. There shall additionally be deposited in the Cost of Issuance Fund the portion, if any, of the proceeds of the sale of any Additional Bonds required to be deposited therein under the Supplemental Indenture pursuant to which such Additional Bonds are issued.

(b) The moneys in the Costs of Issuance Fund shall be used and withdrawn by the Trustee from time to time to pay the Costs of Issuance upon submission of a Written Request of the Community Facilities District stating (i) the Person to whom payment is to be made, (ii) the amount to be paid, (iii) the purpose for which the obligation was incurred, (iv) that such payment is a proper charge against the Costs of Issuance Fund, and (v) that such amounts have not been the subject of a prior disbursement from the Costs of Issuance Fund, in each case together with a statement or invoice for each amount requested thereunder. On the last Business Day that is no later than six months after the Closing Date, the Trustee shall transfer any amount remaining in the Costs of Issuance Fund to the Bond Fund and, upon making such transfer, the Costs of Issuance Fund shall be closed.

(c) If the Costs of Issuance Fund has been closed in accordance with the provisions of the Indenture, the Costs of Issuance Fund shall be reopened and reestablished by the Trustee in connection with the issuance of any Additional Bonds, if so provided in the Supplemental Indenture pursuant to which such Additional Bonds are issued.

Earnings Fund. The Trustee shall establish and maintain a special fund designated the “Earnings Fund.” The Trustee shall deposit in the Earnings Fund the amounts required to be deposited therein pursuant to the Indenture.

At least annually on or before November 1 of each year, if the amount on deposit in the Rebate Fund is less than the Rebate Requirement, the Community Facilities District shall deliver to the Trustee a Written Request of the Community Facilities District directing the Trustee to transfer from the Earnings Fund to the Rebate Fund the amount specified in such Written Request (which shall be an amount sufficient to cause the amount on deposit in the Rebate Fund to be equal to the Rebate Requirement), and the Trustee shall so transfer such amount. On November 2 of each year, after having made any requested transfer to the Rebate Fund, the Trustee shall transfer any amount in the Earnings Fund, first, to the Reserve Fund in the amount, if any, necessary to cause the amount on deposit in the Reserve Fund to be equal to the Reserve Requirement and, second, to the Special Tax Fund.

Investment of Moneys. Except as otherwise provided in the Indenture, all moneys in any of the funds or accounts established pursuant to the Indenture and held by the Trustee shall be invested by the Trustee solely in Permitted Investments, as directed in writing by the Community Facilities District two Business Days prior to the making of such investment. Moneys in all funds and accounts held by the Trustee shall be invested in Permitted Investments maturing not later than the date on which it is estimated that such moneys will be required for the purposes specified in the Indenture; provided, however, that Permitted Investments in which moneys in the Reserve Fund are so invested shall mature no later than the earlier of five years from the date of investment or the final maturity date of the Bonds and, provided, further, that if such Permitted Investments may be redeemed at par so as to be available on each Interest Payment Date, any amount in the Reserve Fund may be invested in such redeemable Permitted Investments maturing on any date on or prior to the final maturity date of the Bonds. Absent timely written direction from the Community Facilities District, the Trustee shall invest any funds held by it in Permitted Investments described in paragraph 6 of the definition thereof.

Subject to the provisions of the Indenture related to the Rebate Fund, all interest, profits and other income received from the investment of moneys in any fund or account established pursuant to the Indenture (other than the Reserve Fund) shall be retained therein. Any interest or profits or other income received with respect to investments held in the Reserve Fund shall be transferred to the Earnings Fund; provided, however, that, notwithstanding the foregoing, any such transfer shall be made from the Reserve Fund only if and to the extent that, after such transfer, the amount on deposit in the Reserve Fund is at least equal to the Reserve Requirement.

Permitted Investments acquired as an investment of moneys in any fund or account established under the Indenture shall be credited to such fund or account. For the purpose of determining the amount in any fund or account, all Permitted Investments credited to such fund shall be valued by the Trustee at the market value thereof, such valuation to be performed not less frequently than semiannually on or before each February 15 and August 15.

The Trustee may act as principal or agent in the making or disposing of any investment. Upon the Written Request of the Community Facilities District, the Trustee shall sell or present for redemption any Permitted Investments so purchased whenever it shall be necessary to provide moneys to meet any required payment, transfer, withdrawal or disbursement from the fund to which such Permitted Investments are credited, and the Trustee shall not be liable or responsible for any loss resulting from any investment made or sold pursuant to provisions of the Indenture summarized under this caption. For purposes of investment, the Trustee may commingle moneys in any of the funds and accounts established under the Indenture.

The Community Facilities District acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Community Facilities District the right to receive brokerage confirmations of security transactions as they occur, the Community Facilities District specifically waives receipt of such confirmations to the extent permitted by law. The Trustee shall furnish the Community

Facilities District periodic cash transaction statements which include details for all investment transactions made by the Trustee under the Indenture.

COVENANTS

Collection of Special Tax Revenues. (a) The Community Facilities District shall comply with all requirements of the Act, the Ordinance and the Indenture so as to assure the timely collection of Special Tax Revenues, including without limitation, the enforcement of delinquent Special Taxes; provided, however, that the Community Facilities District shall have the right to waive delinquency penalties and redemption penalties in accordance with the provisions of subdivision (e) of Section 53340 of the Act.

(b) Prior to August 1 of each year, the Community Facilities District shall ascertain from the County Assessor the relevant parcels on which the Special Taxes are to be levied, taking into account any parcel splits during the preceding and then current year. The Community Facilities District shall effect the levy of the Special Taxes each Fiscal Year in accordance with the Ordinance by each August 10, or otherwise such that the computation of the levy is complete before the final date on which the Auditor will accept the transmission of the Special Tax amounts for the parcels within the Community Facilities District for inclusion on the next real property tax roll. Upon the completion of the computation of the amounts of the levy, the Community Facilities District shall prepare or cause to be prepared, and shall transmit to the Auditor, such data as the Auditor requires in order to include the levy of the Special Taxes on the next real property tax roll.

(c) The Community Facilities District shall fix and levy the amount of Special Taxes within the Community Facilities District in each Fiscal Year in accordance with the Rate and Method and, subject to the limitations in the Rate and Method as to the maximum Special Tax that may be levied, in an amount sufficient to yield Special Tax Revenues in the amount required for (i) the payment of principal of and interest on any Outstanding Bonds becoming due and payable during the Bond Year commencing in such Fiscal Year, (ii) any necessary replenishment of the Reserve Fund, and (iii) the payment of Administrative Expenses estimated to be paid from such Special Tax Revenues, taking into account the balances in the funds and accounts established under the Indenture.

(d) The Special Taxes shall be payable and be collected in the same manner and at the same time and in the same installment as the general taxes on real property are payable, and have the same priority, become delinquent at the same time and in the same proportionate amounts and bear the same proportionate penalties and interest after delinquency as do the ad valorem taxes on real property.

Foreclosure. Pursuant to Section 53356.1 of the Act, the Community Facilities District covenants with and for the benefit of the Owners that it will commence appropriate judicial foreclosure proceedings against parcels with total Special Tax delinquencies in excess of \$5,000 (not including interest and penalties thereon) by the October 1 following the close of each Fiscal Year in which the last of such Special Taxes were due and will commence appropriate judicial foreclosure proceedings against all parcels with delinquent Special Taxes by the October 1 following the close of each Fiscal Year in which it receives Special Taxes in an amount which is less than 95% of the total Special Taxes levied in such Fiscal Year, and diligently pursue to completion such foreclosure proceedings; provided, however, that, notwithstanding the foregoing, the Community Facilities District may elect to accept payment from a property owner of at least the enrolled amount but less than the full amount of the penalties, interest, costs and attorneys' fees related to a Special Tax delinquency, if permitted by law. Notwithstanding the foregoing, in certain instances the amount of a Special Tax delinquency on a particular parcel is so small that the cost of appropriate foreclosure proceedings will far exceed the Special Tax delinquency and in such cases foreclosure proceedings may be delayed by the Community Facilities District until there are sufficient Special Tax delinquencies accruing to such parcel (including interest and penalties thereon) to warrant the foreclosure proceedings cost.

Compliance with Act. The Community Facilities District shall comply with all applicable provisions of the Act.

Punctual Payment. The Community Facilities District shall punctually pay or cause to be paid the principal, premium, if any, and interest to become due in respect of all the Bonds, in strict conformity with the terms of the Bonds and of the Indenture, according to the true intent and meaning thereof, but only out of Net Special Tax Revenues and other assets pledged for such payment as provided in the Indenture and received by the Community Facilities District or the Trustee.

Extension of Payment of Bonds. The Community Facilities District shall not directly or indirectly extend or assent to the extension of the maturity of any of the Bonds or the time of payment of any claims for interest by the purchase of such Bonds or by any other arrangement, and in case the maturity of any of the Bonds or the time of payment of any such claims for interest shall be extended, such Bonds or claims for interest shall not be entitled, in case of any default under the Indenture, to the benefits of the Indenture, except subject to the prior payment in full of the principal of all of the Bonds then Outstanding and of all claims for interest thereon which shall not have been so extended. Nothing in this paragraph shall be deemed to limit the right of the Community Facilities District to issue Bonds for the purpose of refunding any Outstanding Bonds, and such issuance shall not be deemed to constitute an extension of maturity of the Bonds.

Against Encumbrances; Defense of Pledge. The Community Facilities District shall not create, or permit the creation of, any pledge of, lien on, security interest in or charge or other encumbrance upon the assets pledged under the Indenture, except as permitted by the Indenture. The Community Facilities District shall at all times, to the extent permitted by law, defend, preserve and protect said pledge of such assets, and the lien thereon and security interest therein created by the Indenture, against all claims and demands of all Persons whomsoever.

Tax Covenants. (a) The Community Facilities District shall not take any action, or fail to take any action, if such action or failure to take such action would adversely affect the exclusion from gross income of interest on the Series 2012 Bonds under Section 103 of the Code. Without limiting the generality of the foregoing, the Community Facilities District shall comply with the requirements of the Tax Certificate, which is incorporated in the Indenture as if fully set forth in the Indenture. This covenant shall survive payment in full or defeasance of the Series 2012 Bonds.

(b) In the event that at any time the Community Facilities District is of the opinion that for purposes of the provisions of the Indenture summarized under this caption it is necessary or helpful to restrict or limit the yield on the investment of any moneys held by the Trustee in any of the funds or accounts established under the Indenture, the Community Facilities District shall so instruct the Trustee in writing, and the Trustee shall take such action as may be necessary in accordance with such instructions.

(c) Notwithstanding any provisions of the Indenture summarized under this caption, if the Community Facilities District shall provide to the Trustee an opinion of Bond Counsel to the effect that any specified action required under the provisions of the Indenture summarized under this caption is no longer required or that some further or different action is required to maintain the exclusion from federal income tax of interest on the Series 2012 Bonds, the Trustee may conclusively rely on such opinion in complying with the requirements of the provisions of the Indenture summarized under this caption and of the Tax Certificate, and the covenants under the Indenture shall be deemed to be modified to that extent.

Continuing Disclosure. Each of the Community Facilities District and the Trustee shall comply with and carry out all of the provisions of the Continuing Disclosure Agreement applicable to it. Notwithstanding any other provision of the Indenture, failure of the Community Facilities District or the Trustee to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; provided, however, that the Trustee may (and, at the written direction of any Participating Underwriter or the Owners of at least 25% aggregate principal amount of Outstanding Series 2012 Bonds, and upon receipt of indemnification reasonably satisfactory to the Trustee, shall) or any Owner or Beneficial Owner of the Series 2012 Bonds may, take such actions as may be necessary and appropriate to compel performance, including seeking mandate or specific performance by court order.

Non-Cash Payments of Special Taxes. The Community Facilities District shall not authorize owners of taxable parcels within the Community Facilities District to satisfy Special Tax obligations by the tender of Bonds unless the Community Facilities District shall have first obtained a report of an Independent Consultant certifying that doing so would not result in the Community Facilities District having insufficient Special Tax Revenues to pay the principal of and interest on all Outstanding Bonds when due.

Reduction in Special Taxes. The Community Facilities District shall not initiate proceedings under the Act to modify the Rate and Method if such modification would adversely affect the security for the Bonds. If an initiative is adopted that purports to modify the Rate and Method in a manner that would adversely affect the security for the Bonds, the Community Facilities District shall, to the extent permitted by law, commence and pursue reasonable legal actions to prevent the modification of the Rate and Method in a manner that would adversely affect the security for the Bonds.

Accounting Records. The Community Facilities District shall keep or cause to be kept appropriate accounting records in which complete and correct entries shall be made of all transactions relating to the Special Taxes, which records shall be available for inspection by the Trustee at reasonable hours and under reasonable conditions.

State Reporting. If at any time the Trustee fails to pay principal or interest due on any scheduled payment date for the Bonds, or if funds are withdrawn from the Reserve Fund to pay principal of or interest on the Bonds, the Trustee shall notify the Community Facilities District in writing of such failure or withdrawal, and the Community Facilities District shall notify the California Debt and Investment Advisory Commission of such failure or withdrawal within ten days of the failure to make such payment or the date of such withdrawal.

Annual Reports to the California Debt and Investment Advisory Commission. Destruction of Bonds. Whenever in the Indenture provision is made for the cancellation by the Trustee and the delivery to the Community Facilities District of any Bonds, the Trustee shall, in lieu of such cancellation and delivery, destroy such Bonds.

Evidence of Rights of Owners. Any request, consent or other instrument required or permitted by the Indenture to be signed and executed by Owners may be in any number of concurrent instruments of substantially similar tenor and shall be signed or executed by such Owners in Person or by an agent or agents duly appointed in writing. Proof of the execution of any such request, consent or other instrument or of a writing appointing any such agent, or of the holding by any Person of Bonds transferable by delivery, shall be sufficient for any purpose of the Indenture and shall be conclusive in favor of the Trustee and the Community Facilities District if made in the manner provided in the provisions of the Indenture summarized under this caption.

The fact and date of the execution by any Person of any such request, consent or other instrument or writing may be proved by the certificate of any notary public or other officer of any jurisdiction, authorized by the laws thereof to take acknowledgments of deeds, certifying that the Person signing such request, consent or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution duly sworn to before such notary public or other officer.

The ownership of Bonds shall be proved by the Registration Books.

Any request, consent, or other instrument or writing of the Owner of any Bond shall bind every future Owner of the same Bond and the Owner of every Bond issued in exchange therefor or in lieu thereof, in respect of anything done or suffered to be done by the Trustee or the Community Facilities District in accordance therewith or reliance thereon.

Disqualified Bonds. In determining whether the Owners of the requisite aggregate principal amount of Bonds have concurred in any demand, request, direction, consent or waiver under the Indenture, Bonds which are known by the Trustee to be owned or held by or for the account of the Community Facilities District, or by any other obligor on the Bonds, or by any Person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the Community Facilities District or any other obligor on the Bonds, shall be disregarded and deemed not to be Outstanding for the purpose of any such determination. Bonds so owned which have been pledged in good faith may be regarded as Outstanding for the purposes of this paragraph if the pledgee shall establish to the satisfaction of the Trustee the pledgee's right to vote such Bonds and that the pledgee is not a Person directly or indirectly controlling or controlled by, or under direct or indirect common control with, the Community Facilities District or any other obligor on the Bonds. In case of a dispute as to such right, any decision by the Trustee taken upon the advice of counsel shall be full protection to the Trustee. Upon request of the Trustee, the Community Facilities District shall specify in a certificate to the Trustee those Bonds disqualified pursuant to the provisions summarized in this paragraph and the Trustee may conclusively rely on such certificate.

Money Held for Particular Bonds. The money held by the Trustee for the payment of the interest, principal or premium due on any date with respect to particular Bonds (or portions of Bonds in the case of Bonds redeemed in part only) shall, on and after such date and pending such payment, be set aside on its books and held in trust by it for the Owners of the Bonds entitled thereto, subject, however, to the provisions of the Indenture relating to unclaimed moneys, but without any liability for interest thereon.

Funds and Accounts. Any fund or account required by the Indenture to be established and maintained by the Trustee may be established and maintained in the accounting records of the Trustee, either as a fund or an account, and may, for the purposes of such records, any audits thereof and any reports or statements with respect thereto, be treated either as a fund or as an account; but all such records with respect to all such funds and accounts shall at all times be maintained in accordance with prudent corporate trust industry standards to the extent practicable, and with due regard for the requirements of the Indenture and for the protection of the security of the Bonds and the rights of every Owner thereof. The Trustee may establish any such additional funds or accounts as it deems necessary to perform its obligations under the Indenture.

Business Days. If the date for making any payment or the last date for performance of any act or the exercising of any right, as provided in the Indenture shall not be a Business Day, such payment may be made or act performed or right exercised on the next succeeding Business Day, with the same force and effect as if done on the nominal date provided in the Indenture and, unless otherwise specifically provided in the Indenture, no interest shall accrue for the period from and after such nominal date.

Waiver of Personal Liability. No member, officer, agent or employee of the Community Facilities District or the County shall be individually or personally liable for the payment of the principal of or premium or interest on the Bonds or be subject to any personal liability or accountability by reason of the issuance

thereof; but nothing in the Indenture contained shall relieve any such member, officer, agent or employee from the performance of any official duty provided by any applicable provision of law or by the Indenture.

Conflict with Act. In the event of any conflict between any provision of the Indenture and any provision of the Act, the provision of the Act shall prevail over the provision of the Indenture.

Conclusive Evidence of Regularity. Bonds issued pursuant to the Indenture shall constitute evidence of the regularity of all proceedings under the Act relative to their issuance and the levy of the Special Taxes.

Governing Laws. The Indenture shall be governed by and construed in accordance with the laws of the State.

Section 6. Termination of Reporting Obligation. The Community Facilities District's obligations under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Series 2012 Bonds. Section 7. Dissemination Agent. The Community Facilities District may, from time to time, appoint or engage a Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge any such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent may resign by providing 30 days' written notice to the Community Facilities District and the Trustee (if the Trustee is not the Dissemination Agent). The Dissemination Agent shall have no duty to prepare or review the Annual Report nor shall the Dissemination Agent be responsible for filing any Annual Report not provided to it by the Community Facilities District in a timely manner and in a form

suitable for filing. If at any time there is not any other designated Dissemination Agent, the Trustee shall be the Dissemination Agent.

Section 8. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the Community Facilities District and the Trustee may amend this Disclosure Agreement (and the Trustee shall agree to any amendment so requested by the Community Facilities District; provided, however, that the Trustee shall not be obligated to enter into any amendment increasing or affecting its duties or obligations), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) if the amendment or waiver relates to the provisions of subsection (a) of Section 2 hereof, Section 3 hereof or subsection (a) or (b) of Section 4 hereof, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Series 2012 Bonds, or the type of business conducted;

(b) the undertakings herein, as proposed to be amended or waived, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the primary offering of the Series 2012 Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) the proposed amendment or waiver (i) is approved by Owners of the Series 2012 Bonds in the manner provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of Owners or Beneficial Owners of the Series 2012 Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Community Facilities District shall describe such amendment or waiver in the next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Community Facilities District. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements (i) notice of such change shall be given in a filing with the MSRB, and (ii) the Annual Report for the year in which the change is made shall present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Section 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Community Facilities District from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice required to be filed pursuant to this Disclosure Agreement, in addition to that which is required by this Disclosure Agreement. If the Community Facilities District chooses to include any information in any Annual Report or notice in addition to that which is specifically required by this Disclosure Agreement, the Community Facilities District shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event or any other event required to be reported.

Section 10. Default. In the event of a failure of the Community Facilities District, the Trustee or the Dissemination Agent to comply with any provision of this Disclosure Agreement, the Trustee may (and, at the written direction of any Participating Underwriter or the Owners of at least 25% of the aggregate principal amount of Outstanding Series 2012 Bonds, shall, upon receipt of indemnification reasonably satisfactory to the Trustee), or any Owner or Beneficial Owner of the Series 2012 Bonds may, take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the

Community Facilities District, the Trustee or the Dissemination Agent, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Agreement in the event of any failure of the Community Facilities District, the Trustee or the Dissemination Agent to comply with this Disclosure Agreement shall be an action to compel performance.

Section 11. Duties, Immunities and Liabilities of Trustee and Dissemination Agent. Article VIII of the Indenture is hereby made applicable to this Disclosure Agreement as if this Disclosure Agreement were (solely for this purpose) contained in the Indenture. The Dissemination Agent shall be entitled to the protections and limitations from liability afforded to the Trustee thereunder. Neither the Trustee nor the Dissemination Agent shall be responsible for the form or content of any Annual Report or notice of Listed Event. The Dissemination Agent shall receive reasonable compensation for its services provided under this Disclosure Agreement. The Dissemination Agent (if other than the Trustee or the Trustee in its capacity as Dissemination Agent) shall have only such duties as are specifically set forth in this Disclosure Agreement. To the extent permitted by law, the Community Facilities District agrees to indemnify and save the Dissemination Agent, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, and which are not due to its negligence or its willful misconduct. The obligations of the Community Facilities District under this Section shall survive resignation or removal of the Dissemination Agent and payment of the Series 2012 Bonds.

Section 12. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Community Facilities District, the Trustee, the Dissemination Agent, the Participating Underwriter and the Owners and Beneficial Owners from time to time of the Series 2012 Bonds, and shall create no rights in any other person or entity.

Section 13. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have executed this Disclosure Agreement as of the date first above written.

FORM OF OPINION OF BOND COUNSEL

Upon delivery of the Series 2012 Bonds, Orrick, Herrington & Sutcliffe LLP, Bond Counsel to the Community Facilities District, proposes to render its final approving opinion with respect to the Series 2012 Bonds in substantially the following form:

[Date of Delivery]

Community Facilities District No. 04-2 (Lake Hills Crest)
of the County of Riverside
Riverside, California

Community Facilities District No. 04-2 (Lake Hills Crest)
of the County of Riverside
Special Tax Refunding Bonds, Series 2012
(Final Opinion)

Ladies and Gentlemen:

We have acted as bond counsel to Community Facilities District No. 04-2 (Lake Hills Crest) of the County of Riverside (the “Community Facilities District”) in connection with the issuance by the Community Facilities District of its Community Facilities District No. 04-2 (Lake Hills Crest) of the County of Riverside Special Tax Refunding Bonds, Series 2012 (the “Bonds”), in the aggregate principal amount of \$19,665,000, pursuant to the Indenture, dated as of August 1, 2012 (the “Indenture”), by and between the Community Facilities District and The Bank of New York Mellon Trust Company, N.A., as trustee (the “Trustee”). Capitalized undefined terms used herein have the meanings ascribed thereto in the Indenture.

In such connection, we have reviewed the Indenture, the Tax Certificate, opinions of counsel to the Community Facilities District and the Trustee, certificates of the Community Facilities District, the Trustee and others and such other documents, opinions and matters to the extent we deemed necessary to render the opinions set forth herein.

The opinions expressed herein are based on an analysis of existing laws, regulations, rulings and court decisions and cover certain matters not directly addressed by such authorities. Such opinions may be affected by actions taken or omitted or events occurring after the date hereof. We have not undertaken to determine, or to inform any person, whether any such actions are taken or omitted or events do occur or any other matters come to our attention after the date hereof. Accordingly, this letter speaks only as of its date and is not intended to, and may not, be relied upon or otherwise used in connection with any such actions, events or matters. Our engagement with respect to the Bonds has concluded with their issuance, and we disclaim any obligation to update this letter. We have assumed the genuineness of all documents and signatures presented to us (whether as originals or as copies) and the due and legal execution and delivery thereof by, and validity against, any parties other than the Community Facilities District. We have assumed, without undertaking to verify, the accuracy of the factual matters represented, warranted or certified in the documents referred to in the second paragraph hereof. Furthermore, we have assumed compliance with all covenants and agreements contained in the Indenture and the Tax Certificate, including, without limitation, covenants and agreements compliance with which is necessary to assure that future actions, omissions or events will not cause the interest on the Bonds to be included in gross income for federal income tax purposes. In addition, we call attention to the fact that the rights and obligations under the Bonds, the Indenture and the Tax Certificate and their enforceability may be subject to bankruptcy, insolvency, reorganization, arrangement, fraudulent conveyance, moratorium and other laws relating to or affecting creditors’ rights, to the application of equitable principles, to

the exercise of judicial discretion in appropriate cases, and to the limitations on legal remedies against governmental entities such as the Community Facilities District in the State of California. We express no opinion with respect to any indemnification, contribution, penalty, arbitration, judicial reference, choice of law, choice of forum, choice of venue, waiver or severability provisions contained in the foregoing documents, nor do we express any opinion with respect to the plans, specifications, maps, financial report or other engineering or financial details of the proceedings, or upon the Rate and Method or the validity of the Special Tax levied upon any individual parcel. Our services did not include financial or other non-legal advice. Finally, we undertake no responsibility for the accuracy, completeness or fairness of the Official Statement or other offering material relating to the Bonds and express no opinion with respect thereto.

Based on and subject to the foregoing, and in reliance thereon, as of the date hereof, we are of the following opinions:

1. The Bonds constitute valid and binding special obligations of the Community Facilities District, payable, as provided in the Indenture, solely from Net Special Tax Revenues and the other assets pledged therefor under the Indenture.

2. The Indenture has been duly executed and delivered by, and constitutes a valid and binding obligation of the Community Facilities District. Subject only to the provisions of the Indenture permitting the application thereof for the purposes and on the terms and conditions set forth therein, the Indenture creates a valid pledge of, lien on and security interest in all of the amounts held in the Special Tax Fund, the Bond Fund and the Reserve Fund to secure the payment of the principal of, premium, if any, and interest on the Bonds in accordance with their terms, the provisions of the Indenture and the Act.

3. Interest on the Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986 and is exempt from State of California personal income taxes. Interest on the Bonds is not a specific preference item for purposes of the federal individual or corporate alternative minimum taxes, although we observe that it is included in adjusted current earnings when calculating corporate alternative minimum taxable income. We express no opinion regarding other tax consequences related to the ownership or disposition of, or the accrual or receipt of interest on, the Bonds.

Faithfully yours,

The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Bonds (the "Bonds"). The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC. If, however, the aggregate principal amount of any issue exceeds \$500 million, one certificate will be issued with respect to each \$500 million of principal amount, and an additional certificate will be issued with respect to any remaining principal of such issue.

DTC, the world's largest depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 2 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments from over 85 countries that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, in turn, is owned by a number of Direct Participants of DTC and Members of the National Securities Clearing Corporation, Government Securities Clearing Corporation, MBS Clearing Corporation, and Emerging Markets Clearing Corporation, (NSCC, GSCC, MBSCC, and EMCC, also subsidiaries of DTCC), as well as by the New York Stock Exchange, Inc., the American Stock Exchange LLC, and the National Association of Securities Dealers, Inc. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of "AA+." The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner

entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Bonds within an issue are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Community Facilities District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Community Facilities District or the Paying Agent, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Paying Agent, or the Community Facilities District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Bonds purchased or tendered, through its Participant, to the Paying Agent, and shall effect delivery of such Bonds by causing the Direct Participant to transfer the Participant's interest in the Bonds, on DTC's records, to the Paying Agent. The requirement for physical delivery of Bonds in connection with an optional tender or a mandatory purchase will be deemed

satisfied when the ownership rights in the Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Bonds to the Paying Agent's DTC account.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Community Facilities District or the Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, physical Bonds are required to be printed and delivered.

The Community Facilities District may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, physical Bond certificates will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the Community Facilities District believes to be reliable, but the Community Facilities District takes no responsibility for the accuracy thereof.
