BACKGROUND:

Summary
On March 11, 2021, President Biden signed the American Rescue Plan Act of 2021 (ARPA) into law. Riverside County's share of American Rescue Plan funding is estimated to be $479 million, of which the first installment of $239,937,299 was received on May 10, 2021. (The second installment of the remaining amount is expected to be received by May 10, 2022.) The deadline for spending the ARPA funds is December 31, 2024, except for the category of infrastructure projects for which the deadline is December 31, 2026.

On October 19, 2021 the Board approved Item 3.5 with preliminary allocations of ARPA into seven broad categories: 1) Infrastructure; 2) Housing and Homelessness; 3) Economic Recovery; 4) County Departments Response; 5) Revenue Backfill; 6) Non-Profit Assistance; and, 7) Child Care Assistance. Specific budget adjustments would come to the Board in separate Form 11s brought forward by individual departments.

At the time of the adoption of these categories and the preliminary allocations, the Executive Office committed to return to the Board with adjustments to the allocations in each of these categories as necessary. The first recommended adjustment is expected to be presented to the Board in late January or early February.

The Executive Office is requesting an initial appropriation of $5,000,000 from ARPA for County Departments Response to COVID-19. In light of recent developments related to the omicron variant, this would allow the Executive Office to fund ongoing response efforts of Public Health, the Medical Center, and the Emergency Management Department. Additionally, it would cover the Executive Office costs to continue to administer the fund and meet spending commitments approved by the Board.
