Subject: 2023-2024 Riverside Transit Agency (RTA) Grand Jury Review

I have thoroughly read the attached Grand Jury Review Final Report (Report), including the findings and recommendation. RTA concurs with Findings 1, 2, 3, and 4, and accepts the recommendation related to Finding 4. To recap, the lone recommendation made by the Grand Jury was the following:

“By December 31, 2024, RTA Director of Marketing should work with local government and college public access television stations in western Riverside County to have its promotional and how-to videos run with some regularity.”

The Report was presented to the RTA Board of Directors (Board) on June 27, 2024. At that time, the Board accepted the Report and took action toward implementing the Grand Jury recommendation. In summary, the Board’s action directed the RTA Director of Marketing to explore marketing opportunities within local public access television before December 31, 2024. Further, that any actions or progress made in this endeavor shall be reported back to the Board within one year.

The Civil Grand Jury process is essential to Riverside County, ensuring that local government organizations remain accountable. I would like to thank the Grand Jury for their work, not just with RTA, but in all areas.

Sincerely,
